In essence, we were helping them figure out how online and digital products could add more value to their clients. At the same time as re-branding (as if we weren't busy enough!), we were also re-reading 24 Assets by Daniel Priestley, a book that helps you identify and create valuable assets in your business to make it a lasting success. The ideas in the book struck more of a chord with us than on the first read, perhaps because of the recent changes we've made to our business.
