This book, first published in 1988, analyses the early development of the US public accounting profession. It gathers in one place writings – contemporary accounts, recollections and historical studies – that portray the early decades of the profession. It is a key book for students of the early development of the US accounting profession.

Learning Technology for Education in Cloud investigates how cloud computing can be used to design applications to support real time on demand learning using technologies. The workshop proceedings provide opportunities for delegates to discuss the latest research in TEL (Technology Enhanced Learning) and its impacts for learners and institutions, using cloud. The Workshop on Learning Technology for Education in Cloud (LTEC '12) is a forum where researchers, educators and practitioners came together to discuss ideas, projects and lessons learned related to the use of learning technology in cloud, on the 11th-13th July at Salamanca in Spain.
