 14.5 County and City Government; Chapter 15: The Bureaucracy. ... By the end of this section, you will be able to: Describe the differences between the U.S. district courts, circuit courts, and the Supreme Court ... and between 1 and 8 percent African American, Hispanic American, and Asian American men and women. [11] Summary.

**13.3 The Federal Court System—American Government, 1st ed.**  
 Sunshine laws require some governments and government agencies to make meeting documents public. Some presidents have encouraged journalists and allowed questioning while others have avoided the press. Lack of openness by government officials leads journalists to use confidential sources for important or classified information.

 Figure 1.1 In the United States, the right to vote is an important feature of the nation's system of government, and over the years many people have fought and sacrificed to obtain it. Yet, today, many people ignore this important means of civic engagement. (credit: modification of work by the National Archives and Records Administration)

\*Published by OpenStax College, American Government is designed to meet the scope and sequence requirements of the single-semester American Government course. This title includes innovative features designed to enhance student learning, including Insider Perspective features and a Get Connected module that shows students how they can get engaged in the political process. The book provides an important opportunity for students to learn the core concepts of American Government and understand how those concepts apply to their lives and the world around them. Our American Government textbook adheres to the scope and sequence of introductory American government courses nationwide. We have endeavored to make the workings of American Government interesting and accessible to students while maintaining the conceptual coverage and rigor inherent in the subject at the college level. With this objective in mind, the content of this textbook has been developed and arranged to provide a logical progression from the fundamental principles of institutional design at the founding, to avenues of political participation, to thorough coverage of the political structures that constitute American government. The book builds upon what students have already learned and emphasizes connections between topics as well as between theory and applications. The goal of each section is to enable students not just to recognize concepts, but to work with them in ways that will be useful in later courses, future careers, and as engaged citizens. The organization and pedagogical features were developed and vetted with feedback from American government instructors dedicated to the project.™–BC Campus website.

The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

The Fifth Edition of American Politics Today is designed to show students the reality of politics today and how it connects to their own lives. New features—from chapter opening cases that address the kinds of questions students ask, to full-page graphics that illustrate key political processes—show students how politics works and why it matters. All components of the learning package—textbook, InQuizitive adaptive learning tool, and coursepack—are organized around specific chapter learning goals to ensure that students learn the nuts and bolts of American government.

The American-born author describes her family's experiences and impressions when they were forced to relocate to a camp for the Japanese in Owens Valley, California, called Manzanar, during World War II, detailing how she, among others, survived in a place of oppression, confusion, and humiliation. Reissue.

Provides the final report of the 9/11 Commission detailing their findings on the September 11 terrorist attacks.

This brief edition maintains the framework of the complete text, emphasizing the historical development of the American political system, who governs and to what end. Revisions include "Interpreting Political News" in Chapter 4, which addresses the shift in the media's focus after 9/11; new discussion on partisanship in Congress and polarity among the parties in Chapter 7; a refreshed look at the Electoral College in light of the 2000 election; an in-depth examination of terrorism, government response to it, and its affects on civil liberties in Chapter 11; and a look at the government's ability to act in a bipartisan manner in times of crisis. A section at the beginning of Chapter 4, "Why Do We Distrust the Federal Government?" includes discussion of how the 9/11 attacks have revived American confidence in government. Also in Chapter 4, "The Impact of the Media," raises the question of how talk radio, the Rush Limbaugh show in particular, has mobilized American Republican voters over the past several years. The Sixth Edition includes Internet references at the end of each chapter, complete coverage of the 2000 presidential election, and September 11.
