THE AMERICAN PAGEANT enjoys a reputation as one of the most popular, effective, and entertaining texts on American history. The colorful anecdotes, first-person quotations, and trademark wit bring American history to life. The 16th edition includes a major revision of Part Six (the period from 1945 to the present), reflecting recent scholarship and providing greater thematic coherence. The authors also condensed and consolidated material on the Wilson presidency and World War I (formerly Chapters 29 and 30) into a new single chapter. A new feature, “Contending Voices,” offers paired quotes from original historical sources, accompanied by questions that prompt students to think about conflicting perspectives on controversial subjects. Additional pedagogical aids make THE AMERICAN PAGEANT accessible to students: part openers and chapter-ending chronologies provide a context for the major periods in American history, while other features present additional primary sources, scholarly debates, and key historical figures for analysis. Available in the following options: THE AMERICAN PAGEANT, Sixteenth Edition (Chapters 1-34); Volume 1: To 1877 (Chapters 1-22); Volume 2: Since 1865 (Chapters 22-34). Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Give Me Liberty! is the #1 book in the U.S. history survey course because it works in the classroom. A single-author text by a leader in the field, Give Me Liberty! delivers an authoritative, accessible, concise, and integrated American history. Updated with powerful new scholarship on borderlands and the West, the Fifth Edition brings new interactive History Skills Tutorials and Norton InQuizitive for History, the award-winning adaptive quizzing tool.

"I too am not a bit tamed—I too am untranslatable / I sound my barbaric yawp over the roofs of the world."—Walt Whitman, “Song of Myself.” Leaves of Grass The American Yawp is a free, online, collaboratively built American history textbook. Over 300 historians joined together to create the book they wanted for their own students—an accessible, synthetic narrative that reflects the best of recent historical scholarship and provides a jumping-off point for discussions in the U.S. history classroom and beyond. Long before Whitman and long after, Americans have sung something collectively amid the deafening roar of their many individual voices. The Yawp highlights the dynamism and conflict inherent in the history of the United States, while also looking for the common threads that help us make sense of the past. Without losing sight of politics and power, The American Yawp incorporates transnational perspectives, integrates diverse voices, recovers narratives of resistance, and explores the complex process of cultural creation. It looks for America in crowded slave cabins, bustling markets, congested tenements, and marbled halls. It navigates between maternity wards, prisons, streets, bars, and boardrooms. The fully peer-reviewed edition of The American Yawp will be available in two print volumes designed for the U.S. history survey. Volume I begins with the indigenous people who called the American home before chronicling the collision of Native Americans, Europeans, and Africans. The American Yawp traces the development of colonial society in the context of the larger Atlantic World and investigates the origins and ruptures of slavery, the American Revolution, and the new nation's development and rebirth through the Civil War and Reconstruction. Rather than asserting a fixed narrative of American progress, The American Yawp gives students a starting point for asking their own questions about how the past informs the problems and opportunities that we confront today.

Brinkley's American History, a comprehensive U.S. History program, transforms the learning experience through proven, adaptive technology helping students better grasp the issues of the past while providing instructors greater insight on student performance. Known for its clear, single voice and balanced scholarship, Brinkley asks students to think historically about the many forces shaping and re-shaping our dynamic history. Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, and how they need it, so that your class time is more engaging and effective.

"The Impending Crisis of the South" by Hinton Rowan Helper. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten'or yet undiscovered gems'of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- Updated in a new 2011 Alternate edition, American Government: Roots and Reform provides the historical context students need to understand our government and the most crucial and controversial issues affecting the nation in the 21st century. This bestselling book has been extensively revised to provide in-depth coverage of President Barack Obama's first two years in office and the 111th Congress, the 2010 congressional elections, continued concerns related to the wars in Iraq and Afghanistan, and domestic concerns related to health care reform and the economy.
