Re: Honda GX390 wont stay running
Yeah, just went thru that with a
GX340 engine on my pressure washer
- the thing acted like a fuel problem. It
would start and run OK at idle, but

Online Library Assembly Guide Honda Gx390

under load it would run maybe 15-20 seconds and die - if I was quick enough, choking it would SOMETIMES keep it from dying.

Honda GX390 wont stay running -
