nice, but after several attempts we were unable to create a decent footprint or handprint. The amount of pressure required to get a good imprint was greater than we were willing to use. It did make a decent paw print for our german shepherd though, so not a complete waste. The journal is also very cute - we will definitely be using it.

A baby handprint kit helps you look back on the earliest days of your child's life. These kits preserve your baby's handprint in clay, plaster, or ink. Many come with options for display on a wall, shelf, or holiday ornament. Handprint kits make meaningful baby shower presents or "welcome home" gifts, too.
