Bible paper, also known as scritta paper, is a thin grade of paper used for printing books which have many pages, such as a dictionary. Technically, Bible paper may be called lightweight offset paper [citation needed] and is a type of woodfree uncoated paper. This paper grade often contains cotton or linen fibres to increase its strength in spite of its thinness.

"...Etymology must somehow have some value for the understanding of biblical language, and I myself had granted this. If etymological study, then, is not to be totally rejected, we should try to say something more precise about its value and demarcate more exactly the line that separates its proper use from its misuse. We may begin, then, by summarizing three general reasons which appear to favour the continuing importance of etymology: a. It is not in dispute that etymology is in principle a valid form of study and that it can furnish valuable insights into the history and the background of words. b. Etymology is particularly important for the identification and elucidation of rare words and hapax legomena. The Hebrew Bible has many such rare words, and these can often be elucidated only through comparison with words in Ugaritic, Akkadian, Arabic and other cognate languages; this was expressly admitted by me in Semantics. c. Etymology is not something confined to the modern world. On the contrary, the etymological consciousness was already very strong in ancient world, and notably so in the milieu of the Bible, of early Judaism and of early Christianity." -- Etymology and the Old Testament / James Barr.

Nancy Vyhmeister's Quality Research Papers is fast becoming a standard reference textbook for writing research papers in the field of religion and theology. It takes the student from the beginning assignment of a paper through the research phase to the finished paper. This second edition gives improvements and added material for such things as the expanding field of online research and doing church-related research in a professional manner. Resources for doing research are updated throughout the book.

The complete HCSB text is accompanied by dozens of articles collected from today's most popular youth leaders, including general editor McDowell.

Now updated with even more material, the CSB Apologetics Study Bible for Students anchors young Christians in the truths of Scripture by equipping them with thoughtful and practical responses when the core issues of their faith and life are challenged. A truly unique Bible created to encourage students to ask tough questions, get straight answers and strengthen their faith. The CSB Apologetics Study Bible for Students features the highly readable, highly reliable text of the Christian Standard Bible (CSB). The CSB stays as literal as possible to the Bible's original meaning without sacrificing clarity, making it easier to engage with Scripture's life-transforming message and to share it with others.

1890-1926 include also Decisions of the Board of U.S. general appraisers no. 1-9135.
