Book review information. About a third of the journal comprises historiographical reviews and review articles. The former provide broad overviews of a field[] books, articles, exhibitions, databases, and other contributions [] with an emphasis on recent developments. Review articles, by contrast, discuss a particular body of books, listed at the start.

**Book review information—Cambridge Core**

The aim of book reviews that journals publish is to provide insight and opinion on recently published scholarly books. Thus, if the book review that you have written is about an academic book, you should be able to get it published in a journal. Book reviews are a good publication option for early - career researchers as it allows the researcher to stay abreast of new literature in the field, while at the same time, adding to his/her publication list.

Art & Culture Book Review: Good Night Stories For Rebel Girls 2 by Francesca Cavallo and Elena Favilli

**book review Archives | Press and Journal**

These reviews place the book within the scholarly discourse, compare the book to other works in the field, and analyze the author's methodology, interpretations, and conclusions. Due to this amount of engagement with the book, reviews of academic titles may appear two or three years after publication of the book.

**Scholarly Reviews—How to Find Book Reviews—Research—**

Good examples of essay-length reviews may be found in the scholarly journals included in the JSTOR collection, in the New York Review of Books, and similar types of publications, and in cultural publications like the New Yorker magazine. Remember to keep track of your sources, regardless of the stage of your research.

It(m)s not easy getting published, but everyone has to do it. Writing for Peer Reviewed Journals presents an insiders(m)s perspective on the secret business of academic publishing, making explicit many of the dilemmas and struggles faced by all writers, but rarely discussed. Its unique approach is theorised and practical. It offers a set of moves for writing a journal article that is structured and double but also attends to the identity issues that manifest on the page and in the politics of academic life. The book comprehensively assists anyone concerned about getting published; whether they are early in their career or moving from a practice base into higher education, or more experienced but still feeling in need of further information. Avoiding a c+–tips and tricks(m)s approach, which tends to oversimplify what is at stake in getting published, the authors emphasise the production, nurture and sustainability of scholarship through writing c+ a focus on both the scholar and the text or what they call text work/identity work. The chapters are ordered to develop a systematic approach to the process, including such topics as: The writer The reader What(m)s the contribution? Beginning work Refining the argument Engaging with reviewers and editors Writing for Peer Reviewed Journals uses a wide range of multi-disciplinary examples from the writing workshops the authors have run in universities around the world, including the UK, Canada, Australia, New Zealand, Ireland, South Africa, Norway, Sweden, Denmark and the United States. This international approach coupled with theoretically grounded strategies to guide the authoring process ensure that people at all stages of their career are addressed. This lively book uses a combination of personal stories, student texts, published journal abstracts and excerpts from interviews with journal editors and publishers. Written in an accessible style, one which does not use the patronising e–youe(m)s of advice books, it offers a collegial approach to a task which is difficult for most scholars, regardless of their years of experience.

Winner, 2019 Anna Julia Cooper and C.L.R. James Award, given by the National Council for Black Studies The inspiring story of the black students, faculty, and administrators who forever changed America's leading educational institutions and paved the way for social justice and racial progress The eight elite institutions that comprise the Ivy League, sometimes known as the Ancient Eight[]Harvard, Yale, Princeton, Penn. Columbia, Brown, Dartmouth, and Cornell[]are American stalwarts that have profoundly influenced history and culture by producing the nation's and the world's leaders. The few black students who attended Ivy League schools in the decades following WWII not only went on to greatly influence Black America and the nation in general, but unquestionably awakened these most traditional and selective of American spaces. In the twentieth century, black youth were in the vanguard of the black freedom movement and educational reform. Upending the Ivory Tower illuminates how the Black Power movement, which was borne out of an effort to edify the most disfranchised of the black masses, also took root in the hallowed halls of America's most esteemed institutions of higher education. Between the close of WWII and 1975, the civil rights and Black Power movements transformed the demographics and operation of the Ivy League on and off campus. As desegregators and racial pioneers, black students, staff, and faculty used their status in the black intelligentsia to enhance their predominantly white institutions while advancing black freedom. Although they were often marginalized because of their race and class, the newcomers altered educational policies and inserted blackness into the curricula and culture of the unabashedly exclusive and starkly white schools. This book attempts to complete the narrative of higher education history, while adding a much needed nuance to the history of the Black Power movement. It tells the stories of those students, professors, staff, and administrators who pushed for change at the risk of losing what privilege they had. Putting their status, and sometimes even their lives, in jeopardy, black activists negotiated, protested, and demonstrated to create opportunities for the generations that followed. The enrichments these change agents made endure in the diversity initiatives and activism surrounding issues of race that exist in the modern Ivy League. Upending the Ivory Tower not only informs the civil rights and Black Power movements of the postwar era but also provides critical context for the Black Lives Matter movement that is growing in the streets and on campuses throughout the country today. As higher education continues to be a catalyst for change, there is no one better to inform today's activists than those who transformed our country's past and paved the way for its future.

'A comprehensive, well-written and beautifully organized book on publishing articles in the humanities and social sciences that will help its readers write forward with a first-rate guide as good company.' - Joan Bolker, author of Writing Your Dissertation in Fifteen Minutes a Day 'Humorous, direct, authentic ... a seamless weave of experience, anecdote, and research.'- Kathleen McHugh, professor and director of the UCLA Center for the Study of Women Wendy Laura Belcher's Writing Your Journal Article in Twelve Weeks: A Guide to Academic Publishing Success is a revolutionary approach to enabling academic authors to overcome their anxieties and produce the publications that are essential to succeeding in their fields. Each week, readers learn a particular feature of strong articles and work on revising theirs accordingly. At the end of twelve weeks, they send their article to a journal. This invaluable resource is the only guide that focuses specifically on publishing humanities and social science journal articles.

Nightingale is a book about change. This collection radically rewrites and contemporizes many of the myths central to Ovid's epic, The Metamorphoses. Rekdall's characters changed not by divine intervention but by both ordinary and extraordinary human events. In Nightingale, a mother undergoes cancer treatments at the same time her daughter transitions into a son; a woman comes to painful terms with her new sexual life after becoming quadriplegic; a photographer wonders whether her art is to blame for her son's sudden illness; and a widow falls in love with her dead husband's dog. At the same time, however, the book includes more intimate lyrics that explore personal transformation, culminating in a series of connected poems that trace the continuing effects of sexual violence and rape on survivors. Nightingale updates many of Ovid's subjects while remaining true to the Roman epic's tropes of violence, dismemberment, silence, and fragmentation. Is change a physical or a spiritual act? Is transformation punishment or reward, reversible or permanent? Does metamorphosis literalize our essential traits, or change us into something utterly new? Nightingale investigates these themes, while considering the roles that pain, violence, art, and voicelessness all play in the changeable selves we present to the world.

This comprehensive yet concise book provides a thorough and complete guide to every aspect of managing the peer review process for scientific journals. Until now, little information has been readily available on how this important facet of the journal publishing process should be conducted properly. Peer Review and Manuscript Management in Scientific Journals fills this gap and provides clear guidance on all aspects of peer review, from manuscript submission to final decision. Peer Review and Manuscript Management in Scientific Journals is an essential reference for science journal editors, editorial office staff and publishers. It is an invaluable handbook for the set-up of new Editorial Offices, as well as a useful reference for well-established journals which may need guidance on a particular situation, or may want to review their current practices. Although intended primarily for journals in science, much of its content will be relevant to other scholarly areas. ?This wonderful work by Dr. Hanes can be used as a textbook in courses for both experienced and novice editors, and I trust that it is what Dr. Hanes intended when she prepared this beautiful book. Every scientific editor should read it.?' Journal of Educational Evaluation for Health Professionals, 2008 This book is co-published with the Association of Learned and Professional Society Publishers (ALPSP) (www.alpso.org) ALPSP members are entitled to a 30% discount on this book.

Fans of Thirteen Reasons Why, Running with Scissors and Girl, Interrupted will be entranced by this remarkable true story of teenage despair and recovery. In 1991, fourteen-year-old Brent Runyon came home from school, doused his bathrobe in gasoline, put it on, and lit a match. He suffered third-degree burns over 85% of his body and spent the next year recovering in hospitals and rehab facilities. During that year of physical recovery, Runyon began to question what he'd done, undertaking the complicated journey from near-death back to high school, and from suicide back to the emotional mainstream of life. The Author's Book Journal is a must have for anyone writing a book or a novel. It easily lets you keep track of events and characters in your chapters. There are dedicated pages for 100 chapters, plus main character profiles, secondary characters profiles and also pages to note reference research sources, acknowledgements, quotes, notes, prologue, epilogue, back cover blurb, beta readers, ARC reviews, publishing details, author details. You also have some extra pages at the back for making notes on ideas for your next book. Keep all your book information in one handy place. Journal size 7x10 inches.

During the 2000's, online literature in Arabic language was popular among a larger readership. Writings on subjects dealing with politics, globalization, and social matters gained are well-received. While mapping the genre, this monograph shows literary developments in print and digital during these peak years to provide a historical context for the material. Online literary culture is linked to social, economic, and political developments within the last two decades. This book presents the differences between online and print literature as it relates to writer-readership interaction, literary quality, language and style, critical reception, and circulation. The geographic location of the analysis focuses on Gulf countries featuring a comparative study of Egypt and Lebanon.

THE INSTANT NEW YORK TIMES AND USA TODAY BESTSELLING DEBUT PSYCHOLOGICAL THRILLER YOU CAN'T MISS! The perfect marriage? Or the perfect lie?[]A hair-raising debut, both unsettling and addictive...A chilling thriller that will keep you reading long into the night![]Mary Kubica, New York Times and USA Today bestselling author of The Good Girl []This is one readers won't be able to put down![]Booklist (starred review) "A can't-put-down psychological thriller![]Library Journal (starred review) []This debut is guaranteed to haunt you...Warning: brace yourself![]Bustle (10 New Thrillers to Read This Summer)[]The sense of believably and terror that engulfs Behind Closed Doors doesn't waver![]The Associated Press, picked up by The Washington Post []This was one of the best and most terrifying psychological thrillers I have ever read![]San Francisco Book Review Everyone knows a couple like Jack and Grace. He has books and wealth; she has charm and elegance. He's a dedicated attorney who has never lost a case; she is a flawless homemaker, a masterful gardener and cook, and dotes on her disabled younger sister. Though they are still newlyweds, they seem to have it all. You might not want to like them, but you do. You're hopelessly charmed by the ease and comfort of their home, by the graciousness of the dinner parties they throw. You'd like to get to know Grace better. But it's difficult, because you realize Jack and Grace are inseparable. Some might call this true love. Others might wonder why Grace never answers the phone. Or why she can never meet for coffee, even though she doesn't work. How she can cook such elaborate meals but remain so slim. Or why she never seems to take anything with her when she leaves the house, not even a pen. Or why there are such high-security metal shutters on all the downstairs windows. Some might wonder what's really going on once the dinner party is over, and the front door has closed. From bestselling author B. A. Paris comes the gripping thriller and international phenomenon Behind Closed Doors.
