In this second memoir written by John McEnroe, “ But Seriously ” fails to meet the standard reached in his first book, “ You Cannot Be Serious. ” Like the first one, “ But Seriously ” is a very quick read, has plenty of humor and covers a wide variety of topics in addition to tennis.

But seriously is an
interesting and insightful
autobiography which

documents John McEnroe ' s later career. He comes over as a single minded individual who cares deeply for his family and I ' m glad he has evidently found happiness with his wife Patti and their 6 children.
