Challenges to Democracy The survival of Indian democracy for well over half a century deprives the country's diversities, is in many ways a remarkable achievement. However, no one can deny that the country's contemporary socio-economic and political problems are complex. There are a number of serious challenges that need to be met in the years ahead.

Challenges to Democracy in India - Shruti Vandana

There is a growing fear that free speech is eroding in India, and the government ' s silence regarding direct attacks on freedom of expression suggests that the problem could worsen over time. Insurgency and counterinsurgency: Regional insurgencies continue to threaten the security situation in some parts of India. They include separatist movements in the northeast, Maoist rebels scattered across the central and eastern region, and militants in Indian-controlled Kashmir who seek independence ...

Challenges to Democracy in India: Basrur, Rajesh M ...

The greatest challenge before our democracy today is about how we make it relevant for the common man. A representative democracy should work for the achievement of socio-economic and political justice for the common man, for the eradication of poverty, for putting an end to the exploitation of the disadvantaged sections of society and for providing the basic needs of the people.
