~~Valuation | Hagerty UK~~

A collector car's value is appraised according to its rarity, condition, restoration quality, and market demand. The economic principle of supply and demand applies to classic cars, just as they would to any vehicle or valuable assets such as other precious collectibles. Whether you're driving a new car or a vintage or antique vehicle, its value depends on its current global inventory, the historical sale price of the vehicle, and its going market rate determined by demand among other ...
