University of Sunderland, United Kingdom Subject: Contemporary Developments in Business and Management of the Toyota Company Distributed: April 9th, 2010 2.2 Introduction The CEO of the Toyota Company Mr. Akio Toyoda has asked me, Arkadi Borowski, to prepare a business report that addresses the internal and external influences as well as the global political changes to which the Toyota Company is subject to. To be able to present a high-quality business report, I did detailed research on the company and its business environment. The information was gathered from: the company's Annual Report 2008/2009, the official website of Toyota and internal know-how of the company. The

# Access Free Company Profile Toyota Toyota Motor

Sources and the additional professional literature are quoted in the references at the end of the document.

## 2.3 Executive Summary

The present report deals with the analyses of the internal and external business environment, for this purpose the “PESTLE” analysis and the “Porter’s five forces model” were used. It also gives a short overview of the company and the type of business it is involved in. The second part of the report is an in depth analysis of how global political changes affect Toyota’s policies and decision-making. There is also an evaluation of the effectiveness of the company’s response and the demonstration of areas for improvement.

A behind-the-scenes look at Lexus's surprising twenty-year success story—in a revised new edition In the 1980s, German brands BMW and Mercedes-Benz dominated the luxury car market and had little reason to fear competition from Japan. But in 1989, Toyota entered the market with the Lexus LS 400, a car that could compete with the Germans in every category but price—it was US\$30,000 cheaper. Within two years, Lexus had overtaken Mercedes-Benz in the United States and made a stunning success of Toyota's brave foray into the global luxury market. Lexus: The Relentless Pursuit reveals why Toyota decided to

take on the German automakers and how the new brand won praise and success for its unparalleled quality, unforgettable advertising, and unprecedented customer service. From the first boardroom planning session to Lexus's entry into the mega-luxury supercar market, this is the complete and compelling story of one of the world's most admired brands. Includes a new Foreword by legendary designer Erwin Lui, an Afterword with updates since the first edition, and a new Coda by leading Japanese automotive journalist Hisao Inoue Covers the racetrack triumph—and tragedy—behind the new US\$375,000 Lexus LFA supercar Offers important business lessons

for brand managers and executives For car enthusiasts, business leaders, and anyone interested in branding and marketing, Lexus: The Relentless Pursuit offers an amazing story of excellence and innovation in the automotive industry.

Winner of the Shingo Prize for Research and Professional Publication, 2009 The international bestseller The Toyota Way explained the company's success by introducing a revolutionary 4P model for organizational excellence-Philosophy, People, Process, and Problem Solving. Now, in Toyota Culture, preeminent Toyota authorities Jeffrey Liker and Michael Hoseus reveal how

# Access Free Company Profile Toyota Toyota Motor

Toyota selects, develops, and motivates its people to become committed to building high-quality products-and how you can do the same for your company. Toyota Culture examines the "human systems" that Toyota has put in place to instill its founding principles of trust, mutual prosperity, and excellence in its plants, dealerships, and offices around the world. Beginning with a look at the evolution of the Toyota culture and why its people are the heart and soul of the Toyota Way, the authors explain the company's four-stage process for building and keeping quality people: Attract, Develop, Engage, and Inspire. Drawing upon numerous examples from Liker's decades of research as well as

and offices across the globe.

These exclusive, behind-the-scenes details are just what your company needs to successfully learn from The Toyota Culture.

The motor vehicle industry is one of the world's largest. More than 1 billion vehicles are in use around the world, and 80 million are produced and sold annually. Motor vehicles—including passenger cars, trucks, and commercial vehicles such as buses and taxis—are the principal means by which people and goods are transported within and among most communities in the world. This book details the history of the motor vehicle and of the leading carmakers. Inside, you'll learn just how cars are

# Access Free Company Profile Toyota Toyota Motor

Corporation sold; the leading suppliers of parts that go into a car; the increasing role of government in regulating vehicles; and future challenges for the industry. The motor vehicle industry includes corporations that design, develop, and manufacture cars and trucks. These carmakers, such as Ford and Toyota, are among the world's most-familiar corporate brands. The motor vehicle industry also encompasses lesser-known businesses, including several thousand parts makers, tens of thousands of retailers, and specialized lending agencies. The importance of the motor vehicle industry transcends even its central role in the global economy. The industry was

# Access Free Company Profile Toyota Toyota Motor

responsible for many of the fundamental innovations of 20th century production, such as corporate organization, manufacturing processes, and labor relations, as well as sales innovations including product branding and consumer financing. In the 21st century, the motor vehicle industry has been a leader in adopting new production strategies and expanding into new markets.

The Missing Link to Toyota-Style Success—LEAN LEADERSHIP  
Winner of the 2012 Shingo Research and Professional Publications Award “This great book reveals the secret ingredient to lean success: lean leadership. Not only is it a pleasure to read,

# Access Free Company Profile Toyota Toyota Motor

but it is also deep and enlightening. This book is an absolute must-read for anyone interested in lean: it's both an eye opener and a game changer.” —Michael Ballé, Ph.D., coauthor of *The Gold Mine* and *The Lean Manager* “This will immediately be recognized as the most important book ever published to understand and guide ‘True North Lean’ and the goal of perpetual business excellence.” —Ross E. Robson, President and CEO, DnR Lean, LLC, and the original Director of The Shingo Prize “An excellent book that will shape leadership development for decades to come.” —Karen Martin, Principal, Karen Martin & Associates, and author of *The Kaizen Event Planner* About the

# Access Free Company Profile Toyota Toyota Motor

**Book: TOYOTA.** The name signifies greatness— world-class cars and game-changing business thinking. One key to the Toyota Motor Company's unprecedented success is its famous production system and its lesser-known product development program. These strategies consider the end user at every turn and have become the model for the global lean business movement. All too often, organizations adopting lean miss the most critical ingredient—lean leadership. Toyota makes enormous investments in carefully selecting and intensively developing leaders who fit its unique philosophy and culture. Thanks to the company's lean leadership approach, explains Toyota Way

# Access Free Company Profile Toyota Toyota Motor

author Jeffrey Liker and former Toyota executive Gary Convis, the celebrated carmaker has set into motion a drive for continuous improvement at all levels of its business. This has allowed for:

Constant growth: Toyota increased profitability for 58 consecutive years—slowing down only in the face of 2008's worldwide financial difficulties, the recall crisis, and the worst Japanese earthquake of the century. Unstoppable inventiveness: Toyota's approach to innovative thinking and problem solving has resulted in top industry ratings and incredible customer satisfaction, while allowing the company to weather these three crises in rapid succession and to come out

## Access Free Company Profile Toyota Toyota Motor

Stronger Strong Branding and respect: Toyota's reputation was instrumental in the company's ability to withstand the recalls-driven media storm of 2010. But what looked to some to be a sinking ship is once again running under a full head of steam. Perhaps the Toyota culture had weakened, but lean leadership was the beacon that showed the way back. In fact, writes Liker, the company is "as good and perhaps a better model for lean leadership than it ever has been." of innovation and growth. Yet, Industry Week reports that just 2 percent of companies using lean processes can likewise claim to have had long-term success. What the other 98 percent lack is unified leadership with a common

# Access Free Company Profile Toyota Toyota Motor

method and philosophy. If you want to get lean, you have to take it to the leadership level. The Toyota Way to Lean Leadership shows you how.

The Chairman of Toyota Motor Sales U.S.A., Inc. presents the remarkable history of the most efficient, most profitable automobile maker in the world and its revolutionary "just-in-time" production process, accompanied by sixteen pages of photographs.

"A 14% credit card rate! What a deal!" "Where it says 'adjustable' here on my mortgage - that means 'fixed', right?" "Work until I retire, then collect Social Security. That's my wealth plan."

# Access Free Company Profile Toyota Toyota Motor

If you've ever wondered how your money works, where it goes or how it grows, stop wondering. "Control Your Cash: Making Money Make Sense" deconstructs personal finance so that everyone but the hopelessly inept can understand it. Inside the book, you'll learn: [ how to get your bank accounts, credit cards and other financial instruments to work for you, and not the other way around [ the right way to buy a car (i.e. with the salesman cursing your name as you drive away) [ where and how to invest, and what all those symbols, charts and graphs mean [ how to turn expenses into income, and stop living paycheck-to-paycheck [ whom the tax system is stacked against (hint: it's most of us) and

# Access Free Company Profile Toyota Toyota Motor

how to use that to your  
advantage [ the very key to  
wealth itself. In fact, the authors  
thought it was so important they  
put it on the cover so you can  
read it even if you're too cheap to  
buy the book: Buy assets, sell  
liabilities. Finally, a book that  
explains personal finance not only  
in layman's terms, but in detail. If  
you can read, and have any  
capacity for self-discipline, invest  
a few bucks in "Control Your  
Cash" now and reap big financial  
rewards for the rest of your life.
