Pleasing the faithful baseball fans of the New York Emperors has been rewarding, but now all he wants is peace and quiet. That and an irreversible vasectomy. Because there's no way he's passing on the heavy burden of the Blake genes to an innocent child. But Cameron never gets what he wants. Ever. The last thing Adrianna Arenas needs is for her ex to slide back into her life. Not when she can throw a nine-year-old curve ball that will change his game. Not when his father could tear her world apart with a simple phone call. Especially not when, despite everything that stands between them, her insides go wild when Cameron walks into a room. But Adri never gets to keep things the way she needs them. Ever. After ten years, fate brings Cameron face-to-face with Adrianna, the woman he never forgot, and the little girl that ties them forever. Winner of the Bram Stoker Award for Best Novel In her quickly gentrifying rural lake town Jade sees recent events only her encyclopedic knowledge of horror films could have prepared her for in this latest chilling novel that "will give you nightmares. The good kind, of course" (BuzzFeed) from the Jordan Peele of horror literature, Stephen Graham Jones. "Some girls just don't know how to die..." Shirley Jackson meets Friday the 13th in My Heart Is a Chainsaw, written by the New York Times bestselling author of The Only Good Indians Stephen Graham Jones, called "a literary master" by National Book Award winner Tananarive Due and "one of our most talented living writers" by Tommy Orange. Alma Katsur calls My Heart Is a Chainsaw "a homage to slasher films that also manages to defy and transcend genre." On the surface is a story of murder in small-town America. But beneath is its beating heart: a biting critique of American colonialism, Indigenous displacement, and gentrification, and a heartbreaking portrait of a broken young girl who uses horror movies to cope with the horror of her own life. Jade Daniels is an angry, half-Indian outcast with an abusive father, an absent mother, and an entire town that wants nothing to do with her. She lives in her own world, a world in which protection comes from an unusual source: horror movies...especially the ones where a masked killer seeks revenge on a world that wronged them. And Jade narrates the quirky history of Proofrock as if it is one of those movies. But when blood actually starts to spill into the waters of Indian Lake, she pulls us into her dizzying, encyclopedic mind of blood and masked murderers, and predicts exactly how the plot will unfold. Yet, even as Jade drags us into her dark fever dream, a surprising and intimate portrait emerges...a portrait of the scared and traumatized little girl beneath the Jason Voorhees mask: angry, yes, but also a girl who easily cries, fiercely loves, and desperately wants a home. A girl whose feelings are too big for her body. My Heart Is a Chainsaw is her story, her homage to horror and revenge and triumph.

In this second book in New York Times and USA Today bestselling author Cora Carmack's New Adult, Texas-set Rusk University series, which began with All Lined Up, a young woman discovers that you can't only fight for what you believe in . . . sometimes you have to fight for what you love Dylan fights for lost causes. Probably because she used to be one. Environmental issues, civil rights, education-you name it, she's probably been involved in a protest. When her latest cause lands her in jail for a few hours, she meets Silas Moore. He's in for a different kind of fighting. And though he's arrogant and not at all her type, she can't help being fascinated with him. Yet another lost cause. Football and trouble are the only things that have ever come naturally to Silas. And it's trouble that lands him in a cell next to do-gooder Dylan. He's met girls like her before-fixers, he calls them, desperate to heal the damage and make him into their ideal boyfriend. But he doesn't think he's broken, and he definitely doesn't need a girlfriend trying to change him. Until, that is, his anger issues and rash decisions threaten the only thing he really cares about, his spot on the Rusk University football team. Dylan might just be the perfect girl to help. Because Silas Moore needs some fixing after all.

Can a fun-loving cancer survivor and a man whose heart is hardened by loss ever find their Happy Ever After? Darby Livingston is a survivor. If she can survive breast cancer, she can survive the humiliation of accidentally flashing her pink panties to a stranger. A sexy 'doesn't believe in fairy tales' stranger called Reid. Reid is the key to making Darby's amateur theatre production of Cinderella a success, so she'll swallow her pride and beg, bribe, or use her feminine wiles to secure his help, because the play's donation to a cancer charity means everything to her. Reid Hudson is used to being judged and ridiculed for his ability to sew amazing wedding gowns for Invercargill's boutique bridal shop, Next Stop Vegas. Whatever. He's a man who knows who he is and what he wants in life. But on the list of things Reid Hudson doesn't want... A) To be roped into costume-making for a cast of wanna-be divas. B) To discover an off-the-charts attraction with the play's Ugly Stepsister, Darby. And C) To fall in love with that feisty and funny woman who has no guarantee of a happy ever after. Along with her terrier side-kick, Duke, can Darby convince Reid that if the shoe/slipper fits, maybe she's The One he's been looking for all along?
