When one of his trusted employees, with whom he had been working on a secret government project, becomes the prime suspect in a double homicide, Irish billionaire Roarke enlists the assistance of Lieutenant Eve Dallas to uncover the truth. Reprint.

She screamed once. Something, someone slipped out of the shadows. She collapsed beside the dead who had betrayed her. Approaching her cheating husband and lying best friend, Reva Ewing is bent on revenge. But somebody got there first. In a desperate fight to prove her innocence Reva calls on the only man she can trust: Roarke, the roguish husband of Lieutenant Eve Dallas. But the truth is messy: a complex artist, a long-lost brother, a deadly computer worm designed by terrorists - Eve and Roarke are dealing with a deeply volatile case where no one trusts a soul and everyone has their eye on a prize. And the murder is far from what it seems . . .

#1 New York Times bestselling author J. D. Robb continues her "sexy and suspenseful" (Publishers Weekly) In Death series in this futuristic thriller in which technology and humanity collide—and a new computer virus has become the latest form of terrorism... Reva Ewing was a former member of the Secret Service, and then a security specialist for Roarke Enterprises—until she was found standing over the dead bodies of her husband, renowned artist Blair Bissel, and her best friend. But Lieutenant Eve Dallas believes there was more to the killing than jealous rage—all of Bissel's computer files were deliberately corrupted. To Roarke, it's the computer attack that poses the real threat. He and Reva have been under a code-red government contract to develop a program that would shield against techno-terrorists. But this deadly new breed of hackers isn't afraid to kill to protect their secret—and it's up to Lieutenant Eve Dallas to shut them down before the nightmare can spread to the whole country.

Detective Eve Dallas searches the darkest corners of Manhattan for an elusive killer with a passion for collecting souls in this novel in the #1 New York Times bestselling In Death series. On one of the city's hottest nights, New York Police Lieutenant Eve Dallas is sent to Central Park—and into a hellish new investigation. The victim is found on the rocks, just above the still, dark water of the lake. Around her neck is a single red ribbon. Her hands are posed, as if in prayer. But it is the eyes—removed with the precision of a surgeon—that have Dallas most alarmed. As more bodies turn up, each with the same defining scars, Eve is frantic for answers. Against her instincts, she accepts help from a psychic who offers one vision after another—each with shockingly accurate details of the murders. And when partner and friend Peabody is badly injured after escaping an attack, the stakes are raised. Are the eyes a symbol? A twisted religious ritual? A souvenir? With help from her husband, Roarke, Dallas must uncover the killer's motivation before another vision becomes another nightmare...

Ancient church rituals meet cutting-edge crime-solving in this thriller in the #1 New York Times bestselling series featuring NYPSD Lieutenant Eve Dallas. Seconds after partaking of wine during a Catholic funeral mass, Father Miguel Flores is dead on the altar. Detective Lieutenant Eve Dallas confirms that the consecrated wine contained enough potassium cyanide to kill a rhino. And though the East Harlem neighborhood is a long way from the stone mansion she shares with her billionaire husband Roarke, it's the holiness flying around St. Christobal's that makes her uneasy. The autopsy reveals faint scars of knife wounds, a removed tattoo—and evidence of plastic surgery suggesting "Father Flores" may not be the man his parishioners thought. Now, as Eve pieces together clues that suggest identity theft, gang connections, and a deeply personal act of revenge, she hopes to track down whoever committed this unholy act. Until a second murder—in front of an even larger crowd of worshippers—knocks the whole investigation sideways...

Each murder victim died with a smile on their face. The only one who isn't grinning is Police Lieutenant Eve Dallas—because she's got to find out why.

Eve Dallas must face the impossible: someone has unleashed a computer virus that may be able to spread from machine to man.

In 2059 New York City, NYPSD Lieutenant Eve Dallas must use all of her skills to locate missing diamonds from a decades-old heist that have been surrounded by danger and death for years.

Investigating the death of a fellow officer, Eve Dallas receives a personal warning when a dead body is placed outside her home, and her subsequent experiences make her question her beliefs about right and wrong. Reissue.
