antique pieces new life without losing any of their vintage charm. Jen Crider, founder of Girl in the Garage, breaks down everything you need to know about furniture makeovers—from basic chair reupholstery to remaking coffee tables into benches. There won't be an article of furniture you can't make more beautiful, functional, and personal. This book makes it easy to transform whatever old or wobbly furniture you have into something better than new. Each chapter walks you through unique projects to illustrate Jen's straightforward approach to furniture styling and repair, and these techniques can be used on a variety of pieces. Learn to decoupage a bookcase with maps for a classy look. Transfer original images onto large-scale furniture for a style all your own. Dress up an end table with a distressed paint job to add farmhouse flair to any room. Every new technique will give you the confidence you need to get remarkable results on your first makeover—and every makeover after.

transforming your backyard or deck. From Adirondack chairs, patio bars, and picnic tables to showcase Victorian trellises and planters, these attractive pieces will beautify your outdoor space.

Create a Beautiful, Modern Home with One-of-a-Kind DIY Furniture Beds, organizers, Adirondack chairs, a play table, and more! It's easy to build inexpensive, quality furnishings with this indispensable collection of woodworking projects from Ana White, the popular blogger who has inspired millions of homemakers with her stylish furniture plans and DIY spirit. As a young mom on a tight budget, Ana learned to make her own well-designed pieces inspired by the styles in her favorite stores—saving thousands of dollars in the process. Now, in this reference for woodworkers of all skill levels, Ana shares everything she has learned along the way. Inside *The Handbuilt Home* you'll find:

- Plans for 34 versatile furniture projects for every room in your house—from beginner-friendly home accessories to sturdy tables, a media center, kids' items, and storage solutions
- Comprehensive information on using off-the-shelf lumber and basic equipment—almost every project can be made with a drill, a saw, and some hand tools
- Easy-to-follow instructions, costs, and time estimates to guide even the most amateur of carpenters through any project

You don't need to be physically tough or superstrong to make your own furniture, and it's okay if you don't know that a 2x4 doesn't actually measure 2 by 4 inches. All you need is the determination to create a better home for yourself or your family and the confidence to say, "I can build that." Also available as an eBook

Whether you dream of restoring an heirloom to its former beauty, or just want to modernize a flea market treasure, Amy Howard has the design and refinishing secrets you need. Here are all the furniture finishing recipes, techniques, and tips that have made Howard's beloved classes sold-out success
