The Teachings of Don Juan - Wikipedia

Don Juan, also known as Don Giovanni, is a legendary, fictional libertine. Famous versions of the story include a 17th-century play, El burlador de Sevilla y convidado de piedra by Tirso de Molina, and an 1787 opera, Don Giovanni, with music by Mozart and a libretto by Lorenzo da Ponte. By linguistic extension from the name of the character, "Don Juan" has become a generic expression for a womanizer, and stemming from this, Don Juanism is a non-clinical psychiatric descriptor.

Tales of Power Quotes by Carlos Castañeda

Don Juan's teachings about the Warrior stance have the perfection of a Samurai sword or arrows shot by a master Zen archer. Their concise, penetrating power is unequalled, and they pierce ego illusions like diamond bullets. Taken together they amount to a Toltec Warrior Manifesto. Someone once defined stories as "equipment for living."

Don Juan - WHALE

Millions of readers worldwide have treasured the visionary brilliance of Carlos Castaneda, who first explore the world of the Yaqui Indian sorcerer in The Teachings of don Juan. Now, at last, don Juan returns in The Power of Silence -- wise, infuriating, capable or working miracles and playing practical jokes, but always seeking the wisdom of the warrior. The Power of Silence is Castaneda's most astonishing book to date -- a brilliant flash of knowledge that illuminates the far reaches of the human mind. Through don Juan's mesmerizing stories, the true meaning of sorcery and magic is finally revealed. Honed in the desert of Sonora, the visions of don Juan give us the vital secrets of belief and self-realization that are transcendental and valid for us all. It is Castaneda's unique genius to show us that all wisdom, strength, and power lie within ourselves -- unleashed with marvelous energy and imaginative force in the teachings of don Juan -- and in the writings of his famous pupil, Carlos Castaneda

A journey of healing and transformation through Toltec mysticism, shamanic dreaming, and the teachings of the Mayan prophecies. • The author studied with don Juan Matus and the Nagual sorcerers who taught Carlos Castaneda. • Includes numerous transcripts of Toltec Dreamwork sessions, providing examples of how dreamwork can transform personal life challenges. Merilyn Tunneshende learned the secrets of Dream Power, energetic healing, and sorcery from don Juan Matus, the Toltec shaman who mentored Carlos Castaneda. This book is her personal story of over 30 years of interaction with the mystical guides, dreams, and prophecies of the Maya. Through her journey we learn of the power of transmutational energies and how they might be applied to heal and transform our world. Like so many in the early 1970s, Merilyn Tunneshende had plans to travel the world beatnik-style, beginning with Mexico. Traumatized by the sudden death of her fiance after a series of premonitions, Merilyn found her adventurous trip transformed into a path of spiritual awakening, which took her into an intense apprenticeship with Toltec shaman don Juan Matus. After becoming a fully initiated Toltec sorceress and Nagual Dreaming Woman, she experienced a second trauma that threw her from the path of mystical study back into the everyday world of the West. For years she pursued her career as a teacher and linguist--all but dismissing her former mystical experiences as madness. When a series of dreams begin to pervade her consciousness and she received a heart-breaking diagnosis that she had AIDS, Merilyn returned to the world of Mayan prophecy and nagualist training in order to unleash the powers of transmutative energies in healing her own body and actualizing transcendent liberation.

Don Juan concludes the instruction of Castaneda with his most powerful and mysterious lesson in the sorcerer's art—a dazzling series of visions that are at once an initiation and a deeply moving farewell.

Don Juan - WHALE

Originally drawn to Yaqui Indian spiritual leader don Juan Matus for his knowledge of psychotropic plants, bestselling author Carlos Castaneda immersed himself in the sorcerer ' s magical world. Ten years after his first encounter with the shaman, Castaneda examines his field notes and comes to understand what don Juan knew all along—psychotropic plants are merely a means to understanding alternative realities that one cannot fully embrace on one ' s own. Journey to Ixtlan introduces these clear new ideas—omitted from Castaneda ' s classic volumes The Teachings of Don Juan and A Separate Reality—to the reader for the first time. Castaneda explores, as he comes to experience it himself, his own final voyage into the teachings of don Juan, and shares with us what it is like to truly "stop the world" and perceive reality on his own terms.

Carlos Castaneda takes the reader into the very heart of sorcery, challenging both imagination and reason, shaking the very foundations of our belief in what is "natural" and "logical." In 1961, a young anthropologist subjected himself to an extraordinary apprenticeship with Yaqui Indian spiritual leader don Juan Matus to bring back a fascinating glimpse of a Yaqui Indian's world of "non-ordinary reality" and the difficult and dangerous road a man must travel to become "a man of knowledge." Yet on the bring of that world, challenging to all that we believe, he drew back. Then in 1968, Carlos Castaneda returned to Mexico, to don Juan and his hallucinogenic drugs, and to a world of experience no man from our Western civilization had ever entered before.

In 1968 University of California Press published an unusual manuscript by an anthropology student named Carlos Castaneda. The Teachings of Don Juan enthralled a generation of seekers dissatisfied with the limitations of the Western worldview. Castaneda's now classic book remains controversial for the alternative way of seeing that it presents and the revolution in cognition it demands. Whether read as ethnographic fact or creative fiction, it is the story of a remarkable journey that has left an indelible impression on the life of more than a million readers around the world.

• The secret sexual energy practices of Toltec-Mayan shamans revealed at last. • The author studied with don Juan Matus and the same circle of Nagual sorcerers who taught Carlos Castaneda. • Offers specific step-by-step instructions for mastering the ancient sexual techniques that lead to spiritual transformation. Readers of Carlos Castaneda have often complained that his work in ancient Meso-american shamanism never covered sexual practices beyond celibacy. With his death in 1998 it seemed that these practices might never be revealed, but fortunately Merilyn Tunneshende has stepped in. Set against the backdrop of the golden deserts of Sonora, Mexico, Don Juan and the Art of Sexual Energy recounts Tunneshende's initiation into the ancient sexual energy practices of the Toltec-Mayan tradition. Under the tutelage of don Juan Matus, Chon Yakil (whom Castenada referred to as Don Genaro), and dona Celestina de la Soledad, she learns to reclaim her feminine power and balance the masculine and feminine forces within herself. At the heart of the book is the mythical Rainbow Serpent: the phallic energy within women, the creative power within men. Each chapter focuses on a particular technique for awakening the serpent and connecting with its energy. Twenty-two sequential practices are covered, providing a powerful program for serious spiritual transformation.

Reveals how the Nagual shamans move between this world and the dream realms • Shows how the Twilight Language of Dreaming is an avenue for understanding the energetic gateways of human existence • Presents detailed exercises for practical experiences in extra-lucid dreaming Twilight Language of the Nagual is a shamanic and spiritual account that illuminates the author ' s experiences under the tutelage of don Juan Matus, the Toltec shaman who mentored Carlos Castaneda, and the sorceress doña Celestina. The author journeys from a mountaintop peyote pilgrimage of the Huichol people of western Mexico to the home of Tibetan monks in Mexico City and the hut of a Mazatec mushroom shaman in a remote Oaxacan village. She learns the Twilight Language of Dreaming, an avenue for understanding the energetic gateways of human existence. Don Juan Matus defines the language of this dream power and doña Celestina tutors on sex, reproduction, and male-female affairs in relation to the state of the world. Twilight Language enables communication between beings of the upper and lower realms. The author describes how it is possible for our individual and collective consciousness to be transported to higher levels. At the conclusion of each of her narratives she offers detailed exercises for experiences in extra-lucid dreaming as well as case studies showing how to apply dreaming techniques in the " real " world. Twilight Language of the Nagual is both a serious navigational aid to other realms revealed through dreams and an exploration of the energy techniques of dream power for healing and enlightenment.
