This book is the only one you will need to pass the General or Residential Florida Contractor's Exam. We give you all of the knowledge necessary by spelling out the principles and concepts covered on the exam. In addition, and perhaps most importantly, the codes are translated into an easy to read format that does away with the long and often confusing wording found in the formal Building Code. The book also comes with a link for you to access hours of video content as well. Whether you are a novice or possess a wealth of construction knowledge, this is the book you need to prepare yourself for the General or Residential Florida Contractor's Exam.

Includes Part 1, Number 1 & 2: Books and Pamphlets, Including Serials and Contributions to Periodicals (January - December)

This new book explains everything there is to know about entering the lucrative health services field. Benzel focuses on the three most profitable health-related home businesses--billing, claims processing, and records transcription. For each he provides a solid plan of action drawn from the real-life experiences of entrepreneurs who have built successful track records in home-based health services.
