Discovering Green Lanes includes useful contact information, key dates in highway history and sample survey forms for recording wildlife in your local green lane. Valerie Belsey On a much more modest scale she managed an MSc Government project on green lanes in the 1980s, and later worked for Devon County Council as the only historic highway monuments surveyor ever.

Green Books - Discovering Green Lanes

The law on green lanes is simple but messy. Your starting point is that a road marked as a byway open to all traffic on an Ordnance Survey map should be OK to ride, but life is never that simple. If you cannot read an Ordnance Survey map maybe green laning or adventure biking should not be your thing, but if you can read a map, the fact that that the OS shows a byway is half the battle.

Which green lanes can I legally ride? - Adventure Bike Rider

By their very nature, green lanes are usually remote and sometimes take a lot longer to traverse than it appears on the map; it might be a long hike to a fuel station or cafe. It's also worthwhile...

Take a BOAT through green lanes: Byways Open to All ...

Valerie Belsey gained her love of exploring country lanes from her father, a cyclist who thought nothing of cycling from London to Combe Martin and back for the weekend a round trip of 395 miles. On a much more modest scale she managed an MSc Government project on green lanes in the 1980s, and later worked for Devon County Council as the only historic highway monuments surveyor ever.

Green Books - Exploring Green Lanes and the Stories They ...

Green lanes in the UK are a simple pleasure for UK-based adventure bike riders, even if their numbers are dwindling slightly. They're also accessible and many won't push you or your bikes out of your comfort zone, so you don't need to be a motocross hero to enjoy many of them.

5 fantastic green lanes in the UK | Adventure Bike Rider

however if you follow the forestry commission roads up a bit higher in the hills, you will often find smaller tracks going out from these. ... getting muddy is a by-product of green lane exploring ...

Green Lanes in NE England - Page 1 - Off Road - PistonHeads

These tracks, lanes and roads are generally known as 'Green Lanes' and primarily consist of Byways Open to All Traffic (BOAT's) or Unclassified Country Roads (UCR's). In order to drive most green lanes you will need a suitable four wheel drive vehicle (ie: your Land Rover) as green lanes are not normally driveable by normal road cars.
