all in a student-friendly Conversational Writing Style. The new 2nd edition of Financial Accounting, Spiceland, Thomas, Herrmann, has been developed with feedback from over 330 reviewers and focus group participants from across the country. The following list of changes and improvements is a testament to the many hours that reviewers spent analyzing the 1st edition, helping make Financial Accounting, 2nd edition, the best book of its kind.

Financial Accounting - The best source for understanding why and when financially sound decisions are made in business today.

Improvements made to the second Canadian edition have been focused on satisfying the differing needs and abilities of students. This edition has

and understand, while the selection of real focus companies reinforces the relevance of accounting by introducing students to accounting and business activities in the context of their favorite companies. Balance between preparer and user orientations is achieved throughout the book, by studying both the accounting activities that take place inside the company, as well as evaluating their impact on decisions, and users outside the company. Topic coverage is paced appropriately for students new to accounting, and is thoroughly reinforced every step of the way with an ample variety of innovative pedagogical tools. Clearly understandable, relevant, and accessible, FFA is simply the most student-friendly financial book on the market and provides the tools for students to grasp financial accounting
