THEORY OF CHANGE – food for thought | Eval Forward

Food for thought The aim of Power to Change is to accelerate the growth and impact of community business, and in doing so to create better places through community business. As well as working to develop and support individual community businesses, Power to Change seeks to influence the wider context to enable community business to flourish.

Food for thought

And change is certainly the big story for Food For Thought in 2018. We saw the last jar of Food For Thought product go down our production line at our original Honor Michigan facility, this past March – the end of an era, for sure. It was bitter sweet. I started the company next door in my recycled home just 23 years ago.
