Fritz Lang: Interviews (Conversations... book

The films of Fritz Lang depict an entrapping, claustrophobic world in which people are controlled by larger forces. His overriding theme is the struggle against fate and against the traits of human nature that doom us. His life and work spanned six decades of film history—from the silent era through the golden age of German Expressionism of the 1920s and the classic studio system in Hollywood ...

Fritz Lang has the reputation of being a one-dimensional martinet. However, the interviews collected here reveal a complex man with an unexpected breadth of interests. It leaves the reader wishing he could have known Fritz Lang and envying those who did.

Amazon.com: Customer reviews: Fritz Lang: Interviews ...

German audiences rejected Lorre's dark vision of their recent past, and the actor returned to America, wearily accepting roles that parodied his sinister movie personality.The first biography of this major actor, The Lost One: A Life of Peter Lorre draws upon more than three hundred interviews, including conversations with directors Fritz Lang, Alfred Hitchcock, Billy Wilder, John Huston, Frank Capra, and Rouben Mamoulian, who speak candidly about Lorre, both the man and the actor.
