Hand Weaving An Annotated Bibliography Software And ...

Writing an annotated bibliography can help you gain a good perspective on what is being said about your topic. By reading and responding to a variety of sources on a topic, you'll start to see what the issues are, what people are arguing about, and you'll then be able to develop your own point of view.

Buschman annotates more than 550 books and periodical titles published on the techniques and history of handweaving from 1928 through October 1989. She includes works on how to weave, basic weaving texts, books on looms and equipment, and patterns both for weaving and for woven articles; handweaving history and historic fabrics from around the world; works on Native American weaving, ranging from the Chilkats of the Northwest coast of North America, to the Pueblos and Navajos of our Southwest, Mexico, and Central America, and on through the rich weaving culture of the Andes; reference works containing specialized bibliographies and information on fibers, dyes, education and marketing; and periodicals. With author, title, and subject indexes.

Featuring more than 4700 entries cross-referenced for easy use, this annotated bibliography on Gandhi and his legacy is the most complete list of English-language printed material available.

The first of three volumes, this comprehensive bibliography of more than 2,200 entries includes all English-language biographies of Gandhi, writings by Gandhi, and bibliographic sources. A unique aspect of the work is a section on books read by Gandhi, a useful list for those seeking insight on Gandhi. Pandiri has carefully examined the titles included and, unlike many earlier bibliographers, he has annotated all of Gandhi's voluminous writings. He also provides in-depth descriptive and evaluative annotations for the other works, noting content, scope, authority, use, and historical significance. A vital reference tool for scholars and researchers, this volume is the first comprehensive Gandhian bibliography since 1974. In addition to in-depth annotations, the entries include full bibliographic information. Many of the entries also include review notes of the work. Full indexes make the material easily accessible. Forthcoming volumes will include books on Gandhian topics and articles about Gandhi and Gandhian topics.

This bibliography includes more than 1,100 entries from books, journals, newspaper articles, and dissertations concerning North American Indian basketry. More general cultural works with some information on basketry are also included, and the materials date from early ethnographic work in the late 19th and early 20th centuries to 1987. . . . The introduction offers a good overview of research in Native American basketry, and although the annotations vary greatly in thoroughness and length, they are generally useful. This unique, well-produced bibliography is recommended for collections supporting programs in anthropology, crafts, or Native American Studies. Choice Interest in Native American basketry dates from the late 1800s, when an enthusiastic public, together with curators, academic collectors, and archaeologists, first began to appreciate the value and uniqueness of these beautiful hand-crafted artifacts. This bibliography is the first comprehensive guide to publications on the subject. Organized by major cultural areas of North America, it offers annotated listings of books, journal articles, dissertations, theses, monographs, and selected newspaper articles published over

the last 100 years. In his introductory essay, Porter discusses the history of Native American basket making and the findings and views of some of the anthropologists, archaeologists, and popular writers whose works contribute to our knowledge of the subject. The bibliography is divided into eleven sections, each dealing with a specific geographical/cultural area. Entries are cross-referenced, and a comprehensive index gives convenient access to authors, titles, and subjects.

"... a landmark in the academic study of African art.... a remarkably useful bibliography... warmly recommended." —African Arts "... this workmanlike compilation... [is] admirable." —Choice

Presents an annotated bibliography of general and subject reference books covering the humanities, social and behavioral sciences, history, science, technology, and medicine.
