You can rest assured it's not just you! Philip Martins was once a hypochondriac and has survived, among other things, cancer, motor neurone disease, meningitis, multiple sclerosis and having been bitten by a mosquito once, malaria. In this book he tells you how he got through his years of health anxiety, provides some anecdotes of his crazier times to cheer you up and gives you some tips all in the hope that it can bring a little relief to help you realise you're not alone.
