The Colonial Period is important to
today's education because it set the
foundation for Education as I know it
today. The group of immigrants that
helped shape America into the country it is
today did that by applying philosophy,
discipline, and a focus on skills. This
period set up the country for a positive

Historical foundation of philippine education

Evolution of American Education Colonial Period 1642 - 1776 The curriculum's historical foundations are largely rooted in the educational experiences of colonial Massachusetts. The primary purpose of education during the colonial period was to teach children to read the scriptures and notices of civil affairs (Ornstein, 2009, p. 55).

Historical Foundation of Curriculum | Sutori

From the Back Cover This book discusses education in the social, economic, political and religious context in which it developed, beginning with education in the time of the ancient Greeks. The focus on "bridges", or connections from past to present, is emphasized throughout. Connections are clearly explained in each
