Honda ES6500 Generator: Specs and Features

The Honda EM series has portable generators with power ratings that start at 4,000 watts and go as high as 10,000 watts. The power rating that you should get depends on the number of appliances you need to power. The 5,000-watt generator is the most common for families because it's enough power to ensure that essential appliances will be available during an emergency. The 6.2-gallon gas tank ...
