If I Did It is a book by O. J. Simpson and Pablo Fenjves, in which Simpson puts forth a hypothetical description of the murders of Nicole Brown Simpson and Ronald Goldman. Simpson's former manager, Norman Pardo, claimed that Simpson was not involved in writing the book, but rather accepted, against Pardo's advice, \$600,000 from ReganBooks and News Corporation to say he had written it and to conduct an interview. Simpson was acquitted of the murders in a criminal trial but later was found financi

~~If I Did It - Wikipedia~~

If I Did It is, undoubtedly, a confession, despite the claims that the murder account is purely "hypothetical" and "fictional". There is no actual reason as to why Simpson would write, publish, and promote a "fictional" account of the double murders he was trialed for.

I did a little acting, too, and for a number of years I was a pitchman for Hertz, the rental car people. Some of you might remember me from the television spots: I was always running late, pressed for time, leaping over fences and cars and piles of luggage to catch my flight. If you dont see the irony in that, you will.

Originally written by O. Download If I Did It: Confessions of the Killer pdf books Simpson, this edition includes essays by the Goldmans and a member of the Goldman family legal team that reveal the fascinating story behind the bankruptcy case, the book's publication and the looming court proceedings, that would eventually lead to his conviction. In 1994, Ron Goldman and Nicole Brown Simpson ...

O.J. Simpson, the football star who was tried and found not guilty in the brutal 1994 slaying of his ex-wife, Nicole Brown Simpson, and her friend, Ron Goldman, hypothetically relates how he would have committed the crime.

Nicole Brown Simpson and Ron Goldman were brutally murdered at her home on Bundy Drive in Brentwood, California, on the night of June 12, 1994. The days and weeks that followed were full of spectacle, including a much-watched car chase and the eventual arrest of O. J. Simpson for the murders. The televised trial that followed was unlike any that the nation had ever seen. Long since convinced of O. J.'s guilt, the world was shocked when the jury of the "trial of the century" read the verdict of not guilty. To this day, the LAPD, Los Angeles District Attorney's office, mainstream media, and much of the world at large remain firmly convinced that O. J. Simpson got away with murder. According to private investigator William Dear, it is precisely this assuredness that has led both the police and public to overlook a far more likely suspect. Dear now compiles more than seventeen years of investigation by his team of forensic experts and presents evidence that O. J. was not the killer. In O. J. Is Innocent and I Can Prove It, Dear makes the controversial, but compelling, case that it may have been the "overlooked suspect," O. J.'s eldest son, Jason, who committed the grisly murders. Sure to stir the pot and raise some eyebrows, this book is a must-read.

An intimate account of Nicole Brown Simpson's marriage, her husband's abuse, and events leading up to her death, as told by her best friend

For audiences of the popular FX television series The People v. O.J. Simpson: American Crime Story, based on Jeffrey Toobin's The Run of His Life and starring Cuba Gooding, Jr., John Travolta, David Schwimmer, and Courtney B. Vance. Named on Vogue Magazine's "American Crime Story Reading List" as one of the "eight definitive books on the trial of the century." Twenty years ago, America was captivated by the awful drama of the O.J. Simpson trial. The Simpson "Dream Team" legal defense had a seemingly impossible task: convincing a jury that their client was innocent of the murders of Nicole Brown Simpson and Ron Goldman. In order for O.J. Simpson to get away with murder, the defense attorneys had to destroy the reputation of Mark Fuhrman, a brilliant Los Angeles detective who was the lead on the murder scene and had collected overwhelming physical evidence against Simpson. Now Fuhrman tells his side of the story in the #1 New York Times bestseller Murder in Brentwood, a damning exposé that reveals why and how Simpson's prosecution was bungled. Fuhrman offers a sincere mea culpa for allowing his personal mistakes to become a focal point of the defense's strategy but also stands by the evidence he collected, writing: "One thing I will not apologize for is my policework on the O.J. Simpson case." With Fuhrman's own hand-drawn maps of the crime scene, his reconstruction of the murders, and interrogation transcripts, Murder in Brentwood is the book that sets the record straight about what really happened on June 12, 1994—and reveals why the O.J. Simpson trial was such a catastrophe.

The Untold Story of OJ SIMPSONOn September 13 2076 an extraordinary book appeared on the shelves of stores in the United States.Published by Beaufort Books, the tome was entitled If I did it: confessions of the killer. The cover featured the face of the famous athlete and star of film and screen Orenthal James (O.J.) Simpson. The title on the cover was written in red, with the word 'if' appearing in small font over the 'I'. If I did it describes two supposedly hypothetical murders. The first was of Nicole Brown. She had been married to Simpson from 1985 - 1992. Brown had been found murdered outside her home on June 13 1994. She had multiple wounds in her head, neck and hands. The second victim was Ron Goldman, a young waiter also found stabbed outside Nicole Brown's house. So what's the real story behind the OJ Simpson case? This book examines his official account, court proceedings, and events before and since his landmark judgement.

An account of the senseless murder of a Kansas farm family and the search for the killers

Raging Heart is so revealing that the book itself became part of the actual O.J. Simpson murder trial. It is the only book to trace the path of O.J. and Nicole's fatal love story through the eyes of the people who really knew them. Acclaimed journalist Sheila Weller gained the unprecedented cooperation of Nicole Brown Simpson's family, and had exclusive access to O.J. and Nicole's friends who reveal private information here for the first time. Though the story that unfolds in Raging Heart was never fully explored in court, the revelations from its incisive reporting sent shock waves through the trial. Raging Heart is full of explosive information from people who knew, but couldn't-or wouldn't-tell their stories on the witness stand. As vivid as a home movie, Raging Heart is an explicit, heartrending look behind the verdict of the century—and the one book the O.J. Simpson jurors would be astonished to read.

The last two years have been monstrously unpleasant for high-society journalist Gus Bailey. His propensity for gossip has finally gotten him into trouble? \$11 million worth. His problems begin when he falls hook, line, and sinker for a fake story from an unreliable source and repeats it on a radio program. As a result of his flip comments, Gus becomes embroiled in a nasty slander suit brought by Kyle Cramden, the powerful congressman he accuses of being involved in the mysterious disappearance of a young woman, and he fears it could mean the end of him.The stress of the lawsuit makes it difficult for Gus to focus on the novel he has been contracted to write, which is based on the suspicious death of billionaire Konstantin Zacharias. It is a story that hasdominated the party conversations of Manhattan's chattering classes for more than two years. The convicted murderer is behind bars, but Gus is not convinced that justice was served. There are too many unanswered questions, such as why a paranoid man who was usually accompanied by bodyguards was without protection the very night he perished in a tragic fire.Konstantin's hot-tempered widow, Perla, is obsessed with climbing the social ladder and, as a result, she will do anything to suppress this potentially damaging story. Gus is convinced she is the only thing standing between him and the truth. Dominick Dunne revives the world he first introduced in his mega-bestselling novel People Like Us, and he brings readers up to date on favorite characters such asRuby and Elias Renthal, Lil Altemus, and, of course, the beloved Gus Bailey. Once again, he invites us to pull up a seat at the most important tables at Swifty's, get past the doormen at esteemed social clubs like The Butterfield, and venture into the innermost chambers of the Upper East Side's most sumptuous mansions.Too Much Money is a satisfying, mischievous, and compulsively readable tale by the most brilliant society chronicler of our time?the man who knew all the secrets and wasn't afraid to share them.
