### *Independent And Dependent Clauses Yourdictionary*

A single independent clause can be a sentence, by itself. However, dependent clauses are used to make sentences more complete and more interesting. Using conjunctions and proper punctuation, dependent and independent clauses can be joined together to create interesting and complex compound sentences that are fun and engaging to read.

### *Independent and Dependent Clauses - YourDictionary.com*

An independent clause is a group of words that contains both a subject and a predicate. It expresses a complete thought and can stand alone as a sentence. It can also be joined to other dependent or independent clauses to make a more interesting and complex sentence.

### *Examples of Independent Clauses - YourDictionary.com*

A dependent clause is a group of words with a subject and a verb. It does not express a complete thought so it is not a sentence and can't stand alone. These clauses include adverb clauses, adjective clauses and noun clauses.

*Dependent-clauses dictionary definition | dependent ...*

An independent clause has the ability to stand alone as a sentence. It always makes a complete thought. A dependent clause cannot stand alone, even though it has a subject and a verb. Complex sentences are friends and neighbors to compound sentences. There's only one difference. Compound sentences contain two independent clauses – that's all there is to it. Let's break down a couple complex sentence examples into its parts.

An independent clause (also known as a main clause) is a word group that has both a subject and a verb and can stand alone as a sentence. A dependent clause (also known as a subordinate clause) is a word group that has both a subject and a verb but can't stand alone as a sentence. A sentence may consist of a single independent clause, multiple independent clauses linked by a conjunction, or a combination of independent and dependent clauses.

*Identifying Independent and Dependent Clauses*

An independent clause can stand alone as a sentence. In other words, it does not need any additional information to operate as a sentence. The sentence "The student failed the test" is an example of an independent clause. A dependent clause adds extra information to the main clause.
