A Kiss Before Dying not only debuted the talent of best-selling novelist Ira Levin to rave reviews and an Edgar Award, it also set a new standard in the art of psychological suspense. It tells the shocking tale of a young man who will stop at nothing—not even murder—to get where he wants to go.

sophomore year. They are to be married and her life will be blissful; but Dorothy is pregnant and her fiance's plans are ruined, for Dorothy would be disinherited if her father discovered the truth."

He's a handsome young man, appealing and very charming. The kind of man who can get away with murder. And worse, he's the kind of man who can convince himself that murder is merely a means to an end - not a crime. So the killing of his pregnant girlfriend is only a prelude to multiple murder, in a mystery that is as compelling - and chilling - as it is unpredictable. Engagingly written, cleverly crafted, and deftly plotted, this is suspense entertainment at its best.

A chilling psychological thriller that explores the menacing evil behind the glittering facades of Manhattan 's skyscrapers. Kay Norris, a successful and lovely book editor, moves into the posh Carnegie Hill district of Manhattan, into an apartment in a slender high-rise. A man watches her. He watches her unpack, watches her make her bed. He owns the building: a shocking secret is concealed within its brick and concrete. Sliver is a sinuous erotic thriller, a hypnotic story of obsession, suspense, and stunning surprises. It is a novel about the ultimate power, and the temptations the use of that power brings.

The sequel to the New York Times bestseller *Rosemary's Baby*: a thrilling, cautionary tale of

the troubling forces that war within each of us. The modern master of suspense Ira Levin returns to the horror of his 1967 ground-breaking novel *Rosemary's Baby* with this darkly comic sequel set at the dawn of the millennium. Thirty-three years ago, Rosemary gave birth to the Devil's child while under the control of a satanic cult of witches. Now the year is 1999, and humanity dreads the approaching twenty-first century, desperately in search of a savior for this troubled world. In New York City, Rosemary's son Andy is believed to be that savior. But is he the force of good his followers accept him to be? Or is he his father's son? Rosemary and Andy will be reunited in a battle of wills that shall decide the fate of humanity—and keep readers on the edge of the seats until the final page.

The classic thriller of Dr. Josef Mengele's nightmarish plot to restore the Third Reich. Alive and hiding in South America, the fiendish Nazi Dr. Josef Mengele gathers a group of former colleagues for a horrifying project—the creation of the Fourth Reich. Barry Kohler, a young investigative journalist, gets wind of the project and informs famed Nazi hunter Ezra Lieberman, but before he can relay the evidence, Kohler is killed. Thus Ira Levin opens one of the strangest and most masterful novels of his career. Why has Mengele marked a number of harmless aging men for murder? What is the hidden link that binds them? What interest can they possibly hold for their killers: six former SS men dispatched from South America by the most wanted Nazi still alive, the notorious “Angel of Death”? One man alone must answer these questions and stop the killings—Lieberman, himself aging and thought by some to be losing his grip on reality. At the heart of *The Boys from Brazil* lies a frightening contemporary nightmare, chilling and all too possible.

By the author of *Rosemary's Baby*, a horrifying journey into a future only Ira Levin could imagine. Considered one of the great dystopian novels—alongside Anthony Burgess's *A Clockwork Orange* and Aldous Huxley's *Brave New World*—Ira Levin's frightening glimpse into the future continues to fascinate readers even forty years after publication. The story is set in a seemingly perfect global society. Uniformity is the defining feature; there is only one language and all ethnic groups have been eugenically merged into one race called “The Family.” The world is ruled by a central computer called UniComp that has been programmed to keep every single human on the surface of the earth in check. People are continually drugged by means of regular injections so that they can never realize their potential as human beings, but will remain satisfied and cooperative. They are told where to live, when to eat, whom to marry, when to reproduce. even the basic facts of nature are subject to the UniComp's will—men do not grow facial hair, women do not develop breasts, and it only rains at night. With a vision as frightening as any in the history of the science fiction genre, *This Perfect Day* is one of Ira Levin's most haunting novels.

In this extraordinary stand-alone novel, the authors and translator of *Vita Nostra*—a “dark Harry Potter on steroids with a hefty dose of metaphysics” (award-winning author Aliette de Bodard)—return with a story about creation, music, and companionship filled with their hallmark elements of subtle magic and fantasy. Late one night, fate brings together DJ Aspirin and ten-year-old Alyona. After he tries to save her from imminent danger, she ends up at his apartment. But in the morning sinister doubts set in. Who is Alyona? A young con artist? A

plant for a nefarious blackmailer? Or perhaps a long-lost daughter Aspirin never knew existed? Whoever this mysterious girl is, she now refuses to leave. A game of cat-and-mouse has begun. Claiming that she is a musical prodigy, Alyona insists she must play a complicated violin piece to find her brother. Confused and wary, Aspirin knows one thing: he wants her out of his apartment and his life. Yet every attempt to get rid of her is thwarted by an unusual protector: her plush teddy bear that may just transform into a fearsome monster. Alyona tells Aspirin that if he would just allow her do her work, she ' ll leave him—and this world. He can then return to the shallow life he led before her. But as outside forces begin to coalesce, threatening to finally separate them, Aspirin makes a startling discovery about himself and this ethereal, eerie child.

Twenty year old Susan, a Boston University student, is accosted in a restaurant by a charming elderly Irish couple who think she resembles a long-dead daughter of the family for whom they work. Susan is induced to impersonate Veronica and once locked in her room, find herself in the role or is she really Veronica?
