"I woke up one morning to find that the entire city had been covered in a three-foot layer of man-eating jam." This is the first sentence in Ben "Yahtzee" Croshaw's latest novel, Jam, and it sets the dark but comedic tone of the whole book. It's a book about an end of the world scenario that no one could have expected.

Jam is a science-fiction post-apocalyptic novel by British video-game critic Ben "Yahtzee" Croshaw. It is his second published novel after Mogworld in 2010. The concept for the novel can be seen in his weekly Zero Punctuation review of the survival horror game Dead Island where he says that people would not be able to cope if civilization ends in any other way than a zombie apocalypse .

Jam (novel) - Wikipedia

Jam is a post-apocalyptic novel from 2012 by Ben "Yahtzee" Croshaw, with a twist, and even a couple of satirical jabs at some of the apocalypse genre's recurring tropes. Travis, an unemployed everyman from Brisbane, wakes up one morning to discover that the city has been covered in a thick layer of a red, sticky substance that smells distinctly of strawberry, not too much unlike jam.
