Oracle® Database Java Developer's Guide 11g Release 1 (11.1) B31225-05 December 2009 This book describes how to develop, load, and run Java applications in Oracle Database.

Oracle Database Java Developer's Guide
Complete Developers Guide To The Oracle Notification Service. Todd Sharp. When you compile a list of your favorite features in the cloud, I'd be willing to bet that notifications aren't typically cracking the "top 10" of many developers lists. It's more of a "utility" feature. Kind of like the tires on your car - you need to have them, and when they aren't working you probably get grumpy. But ...

Developer Downloads. All software downloads are free, and most come with a Developer License that allows you to use full versions of the products at no charge while developing and prototyping your applications, or for strictly self-educational purposes. (Unless otherwise specified, our technical support organization will not provide technical support, phone support, or updates to you for the ...

Who is The Stig? Where did he come from? Why does he never speak? To answer these questions, award-winning biographer Simon du Beaumarche spent a year chasing The Stig and talking to those closest to him, including Jeremy Clarkson, Richard Hammond, James May and leading figures from Formula 1, music, movies and the military. What he discovered is an explosive story of intrigue, influence and a sensational conspiracy that seeks to hide the truth about one of the 21st century's greatest icons. Get behind the visor of the man, the myth, the driver, the legend, THE STIG. This book contains adult humour and some themes that may be unsuitable for children.

Now a Bride is what fans of New York Times bestselling author Mary Balogh's Mistress series have been clamoring for: more passion and more drama featuring the Dudley siblings. In anticipation of the

enticing third book in the Mistress trilogy, The Secret Mistress, here are never-before-published scenes from More than a Mistress and No Man's Mistress—plus Mary Balogh's new epilogue for the series. • JOCELYN AND JANE: Three new scenes—"The Proposal," "The Wedding," and "Return to Acton Park"—spark more fiery passion from charmingly arrogant Jocelyn and spirited Jane. • FERDINAND AND VIOLA: Two unpublished scenes—"The Wedding" and "Home to Pinewood Manor"—prove once again that this unlikely but perfect couple is made for each other. • THE REUNION: FIVE YEARS LATER: Enjoy a brand-new chapter that reunites readers with all three Dudley couples and their children and answers every fan's biggest question: What happened after the last page was turned? NEW: The enchanting prequel to the Mistress series! Readers got to know madcap Angeline and straitlaced Edward through the romantic adventures of the Dudley brothers. But Angeline and Edward have their own story of passion to tell in The Secret Mistress. BONUS: This eBook includes an excerpt from Mary Balogh's The Secret Mistress.

Oracle Alchemy, The Art of Transformation in Life and Card Reading, is a beautiful book of diverse story, imagery, and practical magic. Two books in one, Part One describes the author's own early journey of struggle, healing, and self discovery intertwined with the fairytale like account of what ultimately became her calling as an "oracle." Part Two details groundbreaking transformational techniques that can be applied to any method of card reading, any type of cards. It is described by the author as, "pure undiluted BOOTLEG - unlike any other book or method of card reading..." She asserts that card reading is a perfect metaphor for life, and "We can have the life of our dreams using card reading techniques." A rare gem.

From Pulitzer Prize-Winning Movie Critic Stephen Hunter Comes A Brilliant, Freewheeling, And Witty Look At The Movies. Evanston, Illinois, was an idyllic 1950s paradise with stately homes, a beautiful lake, a world-class university, two premier movie houses, and one very seedy movie theater -- the Valencia. This was the site of Washington Post film critic Stephen Hunter's misspent youth. Instead of going to school, picking up girls, or tossing a football, Hunter could be found sitting in the fifteenth row, right-hand aisle seat of the Valencia, sating himself on one B-list movie after another. The Valencia had a sticky floor, smelly bathrooms, ancient popcorn, and a screen set in a hideously tacky papier-mache castle wall. It was also the only place in town to see westerns, sci-fi pictures, cops 'n' robbers flicks, slapstick comedy, and Godzilla. In Now Playing at the Valencia, the author of such bestselling novels as Havana and Pale Horse Coming has compiled his favorite movie reviews written between 1997 and 2003, bringing to the discussion the passionate feelings for cinema he discovered in the '50s, a time when genres were forming, mesmerizing stars played unforgettable characters, and enduring classics were made. While filmmaking has changed tremendously since Hunter first frequented the Valencia, the view from the fifteenth row, and the thrill of down and dirty entertainment, has remained the same.

Exposing and exploring the sinuous undercurrents of violence, anguish and love, A.L. Kennedy examines the nature of the individual, both in isolation and society, as characters define and deny their chosen identities. While showing us the unlikeliness of intimacy and the impossibility of communication, Kennedy also reveals the subversive liberation of impotence, the humour of discomfort as human beings chafe together, the crazed claustrophobia of the family adn the wildly funny results of an eccentricity unleashed.

Getting back to basic truths that we have lost sight of through no fault of my own. A humorous collection of newspaper columns including "I Don't Eat Dirt Personally," "How to Walk in New York," "Filofax Fever," and other reflections on American life.

An uplifting account of a young woman's efforts to live life to its fullest while gradually going blind describes her diagnosis with retinitis pigmentosa at age 19, her reckless relationships, training at a circus school and extensive travels before unexpectedly falling in love and becoming pregnant. 30,000 first printing.

After landing in jail for making bombs for the IRA, Davy MacCutcheon escapes and seeks out his ex-fiancée, who has tried to move on with her life in Vancouver, Canada, in the sequel to Pray for Us Sinners. 30,000 first printing.

When the crazy meth-dealer they stole several hundred grand in cash breaks out of prison, escaping deep into the bayou and hell-bent on revenge, repo-man Nick Reid and his friend Desmond must rally the troops for a showdown in the Mississippi Delta. 30,000 first printing.

Object-Oriented Programming and Java presents two important topics in contemporary software development: object-oriented programming and Java. This book takes a different teaching approach from most available literature, it begins with the description of real-world object interaction scenarios and explains how they can be translated, represented and executed using object-oriented programming paradigm. Principally, Java is an object-oriented programming language. By establishing a solid

foundation in the understanding of object-oriented programming concepts and their applications, the book provides readers with the pre-requisites for writing proper object-oriented programs using Java. Object-Oriented Programming and Java covers the latest in Java technologies and is suitable for undergraduate or postgraduate courses on object-oriented technology, particularly those using Java as a programming language for creating object-oriented programs. The book will also give individual professional developers a head-start in learning the language.
