~~Kodansha's Communicative English-japanese  
Dictionary...~~

That's is why the title is kodansha's  
"communicative" english japanese dictionary.  
Do you not see the 'communicative' word in  
the title? Those bad reviews are using it as  
an actual english japanese dictionary which  
is not it's purpose. If you have solid  
understanding of the sentence grammar  
structure, this book is even more useful.
