Although *The Mill on the Floss* covers about fifteen years in the lives of its protagonists, siblings Tom and Maggie Tulliver, the story constantly hearkens back to their childhood. In the novel, seemingly trivial incidences in those early years later take on new significance. Maggie's conflict with Tom and her desire for his love and acceptance, for instance, is a thread that continues from their early lives at Dorlcote Mill, through their school years, and into their troubled adolescence ...
