course for teenagers is now available in a third edition, providing new and exciting content that is delivered using the successful methodology of the previous editions. The third edition offers a brand new comprehensive listening syllabus as well as word skills lessons, allowing students to master key listening sub skills, expand their vocabulary, and become confident communicators. Solutions turns all students into active learners, by offering a rich variety of learning opportunities for a whole range of abilities through extension and revision activities in all components - giving everyone a sense of achievement whatever their level.

Student Book: Specific listening and word skills lessons, to help develop well-rounded, confident communicators. Student Book: Additional resources, including exam skills trainer sections and extra speaking practice help consolidate what students have covered in the lessons. Student Book: Exam skills trainer sections prepare students for typical school-leaving/Cambridge tasks, and provide them with the language, strategies, and exam skills they need to achieve success. Student Book: Culture Bank includes 9 ready-to-use culture lessons linked to the topic and language of the main units, providing extra reading and listening practice. Online Practice: A particular focus on more in-depth practice of grammar, vocabulary, reading, writing, listening, and speaking skills. Online Practice: Media-rich content (vox pops, vlogs, grammar animations) with interesting and engaging topics and texts. Online Practice: Automatic marking with instant feedback, and progress tracked in the gradebook to save time. Online Practice: Content aligned to the CEFR and the Solutions syllabus which complements and extends the contents of the book.
