confidence; Better research skills; Stronger deductive skills; Ability to advocate for causes; And more; Public speaking is especially important for businesses since they've got a need to get their message before potential customers and market their business.

~~What Is Public Speaking? & Why Is It Important?~~

Public speaking (also called oratory or oration) is the process or act of performing a speech to a live audience. Public speaking is commonly understood as formal, face-to-face, speaking of a single person to a group of listeners.

# Download File PDF Public Speaking And

## Presentations For Dummies

However, due to the evolution of public speaking, it is modernly viewed as any form of speaking (formally and informally) between an audience and the speaker.
