Online Library Qualitative Data Analysis An Introduction

In many arenas the debate is raging over the nature of sexual orientation. Queer Words, Queer Images addresses this debate, but with a difference, arguing that homosexuality has become an issue precisely because of the way in which we discuss, debate, and communicate about

Online Library Qualitative Data Analysis An

Introduction
the concept and experience of
homosexuality. The debate over
homosexuality is fundamentally an issue of
communication--as we can see by the
recent controversy over gays in the
military. This controversy, termed by one
gay man as the annoying habit of
heterosexual men to overestimate their

Online Library Qualitative Data Analysis An

own attractiveness, has been debated in communication-sensitive terms, such as morale and discipline. The twenty chapters address such subjects as gay political language, homosexuality and AIDS on prime-time television, the politics of male homosexuality in young adult fiction, the identification of female

Online Library Qualitative Data Analysis An

Introduction
athleticism with lesbianism, the politics of identity in the works of Edmund White, and coming out strategies. This is must reading for students of communication practices and theory, and for everyone interested in human sexuality.
