Jody Fisher provides instruction on warm-ups, exercises, and technical tips for students learning how to play the guitar.

This remarkably thorough text covers all the modes of the major, melodic minor and harmonic minor scales.

Twenty-one different modes are explained in detail and examined from five different perspectives. In addition, open position fingerings, closed position fingerings, harmonies, chord voicings, tips for improvisation, practice progressions,

melodic patterns, and sample solos are provided.

One of America's top jazz guitar educators and authors, and a respected jazz chord-melody performer, Jody Fisher clarifies and simplifies the art of creating an arrangement and improvising as a solo guitarist. In his easy-to-understand and enjoyable style, this master of solo guitar teaches all of theory, technique, and arranging skills you need to start a lifelong journey as a solo guitarist. As the author says, "Becoming a solo guitarist is an ongoing learning experience that

will reward you with a highly personal form of expression. As a solo guitarist, you will be completely self-reliant; your skills will free you from dependency on anyone else, Also, these skills will transfer directly to group playing, so you can't really lose." Jody Fisher's Jazz Guitar Chord/Melody Course is a must-have for any serious jazz guitarist.

The Total Jazz Guitarist is an exciting journey through the diverse world of jazz guitar playing. You start with basic lessons on the major scale and end up playing intricately

beautiful chord melodies and soloing over tricky jazz chord progressions. This wide-ranging study is for all players from beginning to advanced. The beginning-to-intermediate student will find all the tools needed to become a great guitarist, while the more advanced player will find lots of useful tips and a fresh perspective on jazz guitar. Whether this is your first jazz guitar book or you've been studying for years, this is the one place to get everything you need to make you a great jazz guitarist. A CD demonstrating the examples in the book is included.
