“A must-read for a deeper understanding of a well-connected genius who enriched the cultural road map for African Americans and books about them.” — Kirkus Reviews (starred review) Amid the scholars, poets, authors, and artists of the Harlem Renaissance stood an Afro-Puerto Rican named Arturo Schomburg. This law clerk’s passion was to collect books, letters, music, and art from Africa and the African diaspora and bring to light the achievements of people of African descent through the ages. A century later, his groundbreaking collection, known as the Schomburg Center for Research in Black Culture, has become a beacon to scholars all over the world. In luminous paintings and arresting poems, two of children’s literature’s top African-American scholars track Arturo Schomburg’s quest to correct history.

In luminous paintings and arresting poems, two of children's literature's top African-American scholars track Arturo Schomburg's quest to correct history. Where is our historian to give us our side? Arturo asked. Amid the scholars, poets, authors, and artists of the Harlem Renaissance stood an Afro-Puerto Rican named Arturo Schomburg. This law clerk's life's passion was to collect books, letters, music, and art from Africa and the African diaspora and bring to light the achievements of people of African descent through the ages. When Schomburg's collection became so big it began to overflow his house (and his wife threatened to mutiny), he turned to the New York Public Library, where he created and curated a collection that was the cornerstone of a new Negro Division. A century later, his groundbreaking collection, known as the Schomburg Center for Research in Black Culture, has become a beacon to scholars all over the world.

In luminous paintings and arresting poems, two of children's literature's top African-American scholars track Arturo Schomburg's quest to correct history, leading to the creation of the Schomburg Center for Research in Black Culture in the New York Public Library. Full color.

A biography of the pioneering collector whose work laid the foundation for the study of black history and culture.

Examines the life of Arturo Alfonso Schomburg through the lens of both Blackness and latinidad. A Black Puerto Rican-born scholar, Arturo Alfonso Schomburg (1874–1938) was a well-known collector and archivist whose personal library was the basis of the Schomburg Center for Research in Black Culture at the New York Public Library. He was an autodidact who matched wits with university-educated men and women, as well as a prominent Freemason, a writer, and an institution-builder. While he spent much of his life in New York City, Schomburg was intimately involved in the cause of Cuban and Puerto Rican independence. In the aftermath of the Spanish-Cuban-American War of 1898, he would go on to cofound the Negro Society for Historical Research and lead the American Negro Academy, all the while collecting and assembling books, prints, pamphlets, articles, and other

ephemera produced by Black men and women from across the Americas and Europe. His curated library collection at the New York Public Library emphasized the presence of African peoples and their descendants throughout the Americas and would serve as an indispensable resource for the luminaries of the Harlem Renaissance, including Langston Hughes and Zora Neale Hurston. By offering a sustained look at the life of one of the most important figures of early twentieth-century New York City, this first book-length examination of Schomburg's life suggests new ways of understanding the intersections of both Blackness and latinidad.

“In this stunning biography of Fannie Lou Hamer, we walk beside her through tears and smiles on a remarkable journey of resilience and determination that leaves us transformed.” — Booklist (starred review) Despite fierce prejudice and abuse, even being beaten to within an inch of her life, Fannie Lou Hamer was a champion of civil rights from the 1950s until her death in 1977. Integral to the Freedom Summer of 1964, Ms. Hamer gave a speech at the Democratic National Convention that, despite President Johnson's interference, aired on national TV news and spurred the nation to support the Freedom Democrats. Featuring vibrant mixed-media art full of intricate detail, *Voice of Freedom* celebrates Fannie Lou Hamer's life and legacy with a message of hope, determination, and strength.

Malcolm X grew to be one of America's most influential figures. But first, he was a boy named Malcolm Little. Written by his daughter, this inspiring picture book biography celebrates a vision of freedom and justice. Bolstered by the love and wisdom of his large, warm family, young Malcolm Little was a natural born leader. But when confronted with intolerance and a series of tragedies, Malcolm's optimism and faith were threatened. He had to learn how to be strong and how to hold on to his individuality. He had to learn self-reliance. Together with acclaimed illustrator AG Ford, Ilyasah Shabazz gives us a unique glimpse into the childhood of her father, Malcolm X, with a lyrical story that carries a message that resonates still today—that we must all strive to live to our highest potential.

In a powerful novel in verse, an award-winning author offers an eye-opening look at the life of Marilyn Monroe. From the day she was born into a troubled home to her reigning days as a Hollywood icon, Marilyn Monroe (née Norma Jeane Mortenson) lived a life that was often defined by others. Here, in a luminous poetic narrative, acclaimed author Carole Boston Weatherford tells Marilyn's story in a way that restores her voice to its rightful place: center stage. Revisiting Marilyn's often traumatic early life--foster homes, loneliness, sexual abuse, teen marriage--through a hard-won, meteoric rise to stardom that brought with it exploitation, pill dependency, and depression, the lyrical narrative continues through Marilyn's famous performance at JFK's birthday party, three months before her death. In a story at once riveting, moving, and unflinching, Carole Boston Weatherford tells a tale of extraordinary pain and moments of unexpected grace, gumption, and perseverance, as well as the inexorable power of pursuing one's dreams. A beautifully designed volume.

Book Longlisted for the National Book Award A Kirkus Prize Finalist A Boston Globe-Horn Book Honor Book "A must-have"—Booklist (starred review) Celebrated author Carole Boston Weatherford and illustrator Floyd Cooper provide a powerful look at the Tulsa Race Massacre, one of the worst incidents of racial violence in our nation's history. The book traces the history of African Americans in Tulsa's Greenwood district and chronicles the devastation that occurred in 1921 when a white mob attacked the Black community. News of what happened was largely suppressed, and no official investigation occurred for seventy-five years. This picture book sensitively introduces young readers to this tragedy and concludes with a call for a better future.
