Services Marketing: Integrating Customer Focus Across the ...

New to this edition Global Services in Action Boxes focus on international services marketing practices. In response to the growth of service economies throughout the world, this edition's global services feature demonstrates the subtle adjustments to international services marketing strategies that are necessary to become a world-class service organization.

Successful businesses recognize that the development of strong customer relationships through quality service (and services) as well as implementing service strategies for competitive advantage are key to their success. In its fourth European edition, Services Marketing: Integrating Customer Focus across the Firm provides full coverage of the foundations of services marketing, placing the distinctive Gaps model at the center of this approach. The new edition draws on the most recent research, and using up-to-date and topical examples, the book focuses on the development of customer relationships through service, outlining the core concepts and theories in services marketing today. New and updated material in this new edition includes: • New content related to human resource strategies, including coverage of the role of robots and chatbots for delivering customer-focused services. • New coverage on listening to customers through research, big data, netnography and monitoring user-generated content. • Increased technology, social media and digital coverage throughout the text, including the delivery of services using mobile and digital platforms, as well as through the Internet of Things. • Brand new examples and case studies added from global and innovative companies including Turkish Airlines, Volvo, EasyJet and McDonalds. Available with McGraw-Hill's Connect®, the well-established online learning platform, which features our award-winning adaptive reading experience as well as resources to help faculty and institutions improve student outcomes and course delivery efficiency.

European economies are now dominated by services, and virtually all companies view service as critical to retaining their customers today and in the future. In its third European edition, Services Marketing: Integrating Customer Focus across the Firm provides full coverage of the foundations of services marketing, placing the distinctive gaps model at the center of this approach. Drawing on the most recent research and using up-to-date and topical examples, the book focuses on the development of customer relationships through quality service, out lining the core concepts and theories in services marketing today. New and updated material in this new edition include: • - New content on the role of digital marketing and social media has been added throughout to reflect the latest developments in this dynamic field • - Increased coverage of Service dominant logic regarding the creation of value and the understanding of customer relationships • - New examples and case studies added from global and innovative companies including AirBnB, IKEA, Disneyland, Scandinavia Airlines, and Skyscanner

The fundamentals of services marketing presented in a strategic marketing framework. Organized around a strategic marketing framework Services Marketing guides readers into the consumer and competitive environments in services marketing. The marketing framework has been restructured for this edition to reflect what is happening in services marketing today.

Interactive Services Marketing covers the essentials of services marketing--with particular emphasis on the theater model and the impact of technology. The text features a dynamic approach to human interactions--both in face-to-face communication and in connections through technology. The Third Edition focuses on interactions in service environments. The concise text is fully supported by a robust web site, enabling instructors to reinforce the emphasis on technology and allowing students to interact with both the printed text and online material. Pedagogical tools include chapter-opening vignettes, margin notes, end-of-chapter summaries and conclusions, exercises, and Internet activities. Available with InfoTrac Student Collections <http://goengage.com/infotrac>. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

"... Analyzes key issues in the marketing of services, focusing on the factors that differentiate the task of a services marketer from somebody involved in marketing goods. After defining and conceptualizing the diversity of services, the nature and consequences of core concepts such as intangibility, inseparability, perishability and variability are all addressed within the context of a revised services marketing mix. Particular emphasis is placed on analysing the service encounter and understanding service quality. One whole chapter considers issues in the increasingly important internationalization of services."--Back cover.

Thoroughly revised and updated, MARKETING STRATEGY, 6e continues with one primary goal: to teach students to think and act like marketers. Packed with cutting-edge coverage, current examples, new cases, and photographs, the sixth edition delivers a practical, straightforward approach to analyzing, planning, and implementing marketing strategies--helping students learn to develop a customer-oriented market strategy and market plan. Students sharpen their analytical and creative critical thinking skills as they learn the key concepts and tools of marketing strategy. Continuing in the text's signature student-friendly style, the sixth edition covers essential points without getting bogged down in industry jargon--all in a succinct 10 chapters. Available with InfoTrac Student Collections <http://goengage.com/infotrac>. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The Marketing Book is everything you need to know but were afraid to ask about marketing. Divided into 25 chapters, each written by an expert in their field, it's a crash course in marketing theory and practice. From planning, strategy and research through to getting the marketing mix right, branding, promotions and even marketing for small to medium enterprises. This classic reference from renowned professors Michael Baker and Susan Hart was designed for student use, especially for professionals taking their CIM qualifications. Nevertheless, it is also invaluable for practitioners due to its modular approach. Each chapter is set out in a clean and concise way with plenty of diagrams and examples, so that you don't have to dig for the information you need. Much of this long-awaited seventh edition contains brand new chapters and a new selection of experts to bring you bang up to date with the latest in marketing thought. Also included are brand new content in direct, data and digital marketing, and social marketing. If you're a marketing student or practitioner with a question, this book should be the first place you look.

Readers examine the use of services marketing as a competitive tool from a uniquely broad perspective with Hoffman/Bateson's SERVICES MARKETING: CONCEPTS, STRATEGIES, AND CASES, 5E. Using a reader-friendly, streamlined structure, this book explores services marketing not only as an essential focus for service firms, but also as a competitive advantage for companies that market tangible products. A wealth of real examples feature a variety of businesses from industries both within and beyond the nine service economy superectors: education and health services, financial activities, government, information, leisure and hospitality, professional and business services, transportation and utilities, wholesale and retail trade, and other services. Cutting-edge data addresses current issues, such as sustainability, technology, and the global market, giving readers valuable insights and important skills for success in business today. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Now readers can master the core concepts in marketing management that undergraduate marketing majors, first-year MBA or EMBA student or advanced learners need with the detailed material in Iacobucci's MARKETING MANAGEMENT, 5E. Readers are able to immediately apply the key concepts they have learned to cases, group work, or marketing-driven simulations. MARKETING MANAGEMENT, 5E reflects all aspects of the dynamic environment facing today's marketers. Engaging explanations, timely cases and memorable examples help readers understand how an increasingly competitive global marketplace and current changes in technology impact the marketing decisions that today's managers must make every day. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
