Seven Steps to Heaven by Fred Khumalo. <DIV>This multilayered family saga is a riveting tale of love, betrayal, and a search for identity—sexual and otherwise. Sis Lettie, the streetwise philosopher of the shebeens and entrepreneur par excellence, and her son Kokoroshe, a street urchin turned lawyer, are at the center of this dark and understated novel.</DIV>

Seven Steps to Heaven by Khumalo, Fred (ebook)

New on the shelves is 7 Steps to Heaven, Fred Khumalo's much-anticipated follow up to Bitches Brew. The story is resolutely South African, but the issues that the protagonists are faced with are universal ones: sexuality, identity and the individual destiny. All of this is overlaid with Khumalo's distinctive wit.

This multilayered family saga is a riveting tale of love, betrayal, and a search for identity—sexual and otherwise. Sis Lettie, the streetwise philosopher of the shebeens and entrepreneur par excellence, and her son Kokoroshe, a street urchin turned lawyer, are at the center of this dark and understated novel.

Focusing on the epic love affair between a former amateur musician—who happens to be a bootlegger, mercenary, and killer—and a shebeen queen, this South African love story traces the couple's lives and loves through the interweaving of history and memory in the tradition of village storytellers.

A hundred and twenty years ago, seven thousand Zulu mineworkers walked from the gold mines in Johannesburg to Natal, covering a distance of five hundred kilometres over ten days. This journey was their longest march. It is 1899 and Philippa's fiancé Nduku has just broken off their engagement. She is heartbroken - after all, she has followed him from Kimberley, where they first met, to the goldfields of Johannesburg. In this bustling new city, tensions are mounting between the South African Republic and the gold-hungry British Empire. When war is declared, the mines are shut down and migrant workers ordered to leave town. But how do you get home and out of harm's way when there are no running trains and home is hundreds of kilometres away? You walk. Over perilous terrain - sleeping in the open, being attacked by wild animals and harassed by armed white farmers - Nduku and Philippa and seven thousand others walk. Disguised as a mineworker's wife, for Philippa is white, she and Nduku talk about their true histories, about their fears and hopes, with every footfall. On their way to Natal, and on their long journey into their inner selves, the possibility of lasting happiness seems within reach - if only they can survive, and if only they can weather the storm of an unexpected third player in their troubled romance. Set during an incredible event in South African history, Fred Khumalo's new novel is a tale of heady determination, and a tribute to the perseverance and courage of ordinary men and women when faced with extraordinary circumstances.

Betrayed is the true story of two men on opposing sides in WWII, one a sergeant in the US Air Corps and the other a Nazi rocket engineer. The sergeant was shot down, betrayed, and imprisoned in Buchenwald, while the engineer, an SS-Major, became a national hero of the Third Reich. After the war, the records of both men were classified Top Secret and concealed by threats, denials, and misrepresentations. The US government refuted the sergeant's accurate account, while promoting a

Bookmark File PDF Seven Steps To Heaven Fred Khumalo

fabricated history for the engineer, Dr. Wernher von Braun, who became as famous in the US as he had been in Nazi Germany. Betrayed demonstrates how an unconstrained military intelligence operation disrupted the lives of American ex-POWs in the name of "National Security."

This book is designed to guide you toward making the empowering personal choices that lead to greater fulfillment within any aspect of life. By living more consciously, you may begin to tap into your greatest potential for creating more love, joy, peace, and abundance. Organized within the seven steps of the "Empower Model," this book offers you the practical wisdom and tools to live More Consciously and Empowered! To live "consciously," is to live in present moment awareness, while aligning with higher principles. To be "empowered" means to live within the strength that supports us in choosing to honor ourselves and others in all situations. This is possible for all people, yet it takes more than wishful thinking, and it cannot be provided by anyone else. What is required is an incremental shift from within; the on-going practice of personal and spiritual growth and healing. This will take great courage, honesty, accountability, and the intention of living your life to its greatest potential. ARE YOU READY to live your highest purpose and potential?

Envision a cold and calculating future world, where mankind has attained miraculous gains on the one certain, chilling fact of life that has plagued the species since the dawn of time. In this bold new landscape, humans are able to predict the body's natural demise with a specific numerical prediction of the age of death, called a PDA. What's more, life spans have dramatically increased, and humans can fend off the inevitable depending on how they live. That is, all humans except for one: Sophia Nolan, who, since birth, has faced a number that has idled at a grim twenty-seven. Twenty-Seven, Shayne Woodsmith's arresting, dystopian debut novel, lays bare the plight of this one mere mortal and what her all-too-human condition suggests for a species that has been forever fixated on cheating death. As Sophia rapidly approaches the age of twenty-seven, she must reckon with the consuming obsession of the society around her. Fast-paced, thought-provoking, and at times utterly frantic, Twenty-Seven delivers a disarmingly honest portrayal of human frailty and strength through the lens of one tormented outcast. While presciently casting a cold eye on our health-obsessed future, it exposes the darker side of an all-too-sterile world, where the ultimate prestige is longevity. You may never look at the notion of a long and healthy life in the same way again.

When twenty-six year old Kathleen Cooper realizes that she forfeited her dreams and aspirations of becoming a lawyer after a brash decision to run off and marry the insanelly charming Aidan Cooper, she decides to regain what she lost over the course of their seven-year

Bookmark File PDF Seven Steps To Heaven Fred Khumalo

relationship and start fresh. With a renewed sense of hope and determination, she moves to a different city, lands a new job, and meets the handsome Benjamin Chase in a serendipitous way. But even with all of these changes and hopes of gaining a new life, Kathleen is still not happy with the person she sees in the mirror staring back at her. She is an insomniac. She generally has bad luck in just about everything she attempts. She's clumsy, and even if Prince Charming fell into her lap, she would likely push him in the opposite direction, for fear of getting hurt or worse, hurting someone else. This time she can't blame any of these things on her bad luck or her destructive marriage. This time, it's not her heart that's in danger. This time, she has much more to lose and everything to gain. Will she realize her mistakes in time to repair the damage? Will she be able to reverse her shattered self-image and discover true happiness? Will she ever find her way back to the person she was before seven years of bad luck?

In this book, Fred Zaspel explores the provisions of the New Covenant and expounds its implications for life and worship as well as for biblical interpretation. By doing so, he provides a clear guide for understanding the "big picture" of the Bible and an exulting appreciation of the glorious privileges that belong to every Christian. He also shows that the inauguration of the New Covenant is the hinge of biblical and redemptive history and that its promises define the nature of the privileges of the people of God and their status in Christ.
