Shoppirl (2005) - IMDb

Steve Martin is surprisingly adept at prose. A master of the comedic genre, Mr. Martin manages without pretentiousness to imbue the story of a slightly imbalanced shoppirl, Mirabelle, a veritable everyday girl with little to do of anything, with a mirth and understanding that undercuts all of his celebrity and stand-up.

Shoppirl movie review & film summary (2005) | Roger Ebert

I am a shop assistant, but my life is not actually like the main character in this book, though it is amazing how Steve Martin gets inside the skin of the bored young lady behind the glove counter as well as her friends and colleagues in some brilliant vignettes that bring to life each character's foibles.
