Gule - a planet known for dealing in human flesh. The women who are being held captive with me are in high demand and they all look like models. Me? I'm 5'2 shy, curvy, and a kindergarten teacher. Maybe they really meant to take my pageant queen sister?

As an unauthorized third child with parents who were more interested in their various criminal enterprises than they were in her, Michelle Carter is used to feeling unloved, but it still hurts when she is brought to another world as a bride for two men who turn out not to even want one. After Roan and Dane lost the woman they loved, they swore there would never be anyone else, and when their closest friend purchases a beautiful human he hopes will become their wife, they reject the match. Though they are cursed to live as outcasts who shift into terrible beasts, they are not heartless, so they offer Michelle a place in their home alongside the other servants. She will have food, shelter, and all she needs, but discipline will be strict and their word will be law. Michelle soon puts Roan and Dane to the test, and when she disobeys them her bottom is bared for a deeply humiliating public spanking. Despite her situation, the punishment leaves her shamefully aroused and longing for her new masters to make her theirs,

As an unauthorized third child, nineteen-year-old Aimee Harrington has spent her life avoiding discovery by government authorities, but her world comes crashing down around her after she is caught stealing a vehicle in an act of petulant rebellion. Within hours of her arrest, she is escorted onto a ship bound for a detention center in the far reaches of the solar system. This facility is no ordinary prison, however. It is a training center for future brides, and once Aimee has been properly prepared, she will be intimately, shamefully examined and then sold to an alien male in need of a mate. Worse still, Aimee's defiant attitude quickly earns her the wrath of the strict warden, and to make an example of her, Aimee is offered as a wife not to a sophisticated gentleman but to three huge, fiercely dominant warriors of the planet Ollorin. Though Ollorin males are considered savages on Earth, Aimee soon realizes that while her new mates will demand her obedience and will not hesitate to spank her soundly if her behavior warrants it, they will also cherish and protect her in a way she has never experienced before. But when the time comes for her men to master her completely, will she find herself begging for more as her beautiful body is claimed hard and thoroughly by all three of them at once? But I have a few conditions of my own."Sassy Belle is afraid she's toeing the line between bravery and insanity when she agrees to stay at the castle as Beast's prisoner, but sees little choice in it. seem to be afraid of him, demanding that he act like a gentleman and keep his mouth, and his tongue, to himself. With his sanity, and that of his servants, hanging in the balance, how will he convince her to see him as anything more than a monster? This book is about 28,000 words and is part 1 in the Beauty and the Beast miniseries that takes place in the Frisky Fairy Tales world. It is intended for mature audiences due to sexual content.

"No one will ever look past these scars." Once a popular singer, Griffin lost everything to a fire. Society cast him aside when it became clear he was no longer handsome. Sure that no one will ever see beyond the scars that have ruined half of his body, he turns to desperate measures to find companionship. "How can I do anything but surrender?" Kidnapped because of his looks, Ryder is delivered to Griffin to become anything his master wants him to be. He is repeatedly forced to choose between humiliation and worse. Each time he obeys Griffin, a piece of him breaks away. Can he truly refuse when every option is worse than the next? In this psychological drama, two men struggle with their definitions of what society labels beauty as opposed to a beast... and they learn that the true definition of beauty might not be as clear as they'd thought.

A steamy, BDSM twist on the classic fairy tale, Beauty and the Beast. Sold to the Beast, Belle finds herself captive in a mysterious castle plagued by magic and a strange curse. The Beast's bane has forced him to live a life of despair in the shadows, but he's discovered a way to find pleasure in pain and he's eager to teach Belle. Curious, she agrees to enter a hidden dungeon full of enchantments and wonders far more dangerous than magic. Excerpt: Inside was a chamber lit by a ghostly red light. I stepped inside and felt warm all over. The chains on my cuffs glowed gold and silver. I turned back to the Beast. He leaned against the wall watching me with the intense look of an animal stalking prey. My pulse quickened. I'd never had a man consider me so closely. Did he approve of what he saw? His eyes were feral and hungry. As he stepped into the red light, they appeared to be illuminated from within. Bits of gold flecks glowed within the deep green pools of his eyes. They were entrancing. Had the magic taken ahold of me or was it simply the Beast's presence? I blushed and turned away. It was then I noticed the wall. Several hooks hung from its brick face, twinkling silver in the chamber. On each was placed a whip or other manner of deadly looking tools I did not recognize. "Pleasure from pain," the Beast said. His voice was low, flowing like a soft liquid. For a moment, I thought I'd heard him speak inside my own head. I turned to face him. "It's like extracting blood from a

stone," he continued. "How does one take blood from a stone?" I asked. He stepped close and lifted my hands. "Very carefully."

As a Knight of White, the demon warrior Rinehart has long struggled to keep the beast within him at bay. But his unyielding attraction to Dr. Laura Johnson--the dangerous woman he has sworn to protect--threatens to rip his soul apart. When Rinehart discovers that she has paranormal abilities of her own, he must choose: will he give in to his animal attraction to her or fulfill his duty to protect humanity from the rising army of evil? Will Laura prove to be his saving grace--or his final undoing?
