Sports journalism is a form of writing that reports on matters pertaining to sporting topics and competitions. Sports Journalism started in the early 1800s when it

was targeted to the social elite and has transitioned into an integral part of the news business with newspapers having dedicated sports sections. The increased popularity of sports amongst the middle and lower class led to the more coverage of sports content in publications. The appetite for sports resulted in sports only publication

Sports journalism - Wikipedia

The Routledge Handbook of Sports Journalism is a comprehensive and in-depth survey of the fast-moving and multifaceted world of sports journalism. Encompassing historical and contemporary analysis, and case studies exploring best practice as well as cutting edge themes and issues, the book also represents an impassioned defence of the skill and art of the trained journalist in an era of unmediated digital commentary.
