Alone. Suddenly life hands her the kind of money she only dreams of—an amount that starts with a B. A move to Ithaca, New York and into a home she inherits plus new friends—what more can she ask for? Private investigator Michael Silver is determined to find out who might want to kill Shannon. While his life seems safe, hers is one ‘ accident ’ after another, each hurting her worse. When a bullet barely misses Shannon, she and Michael have to discover who, what and why she ’ s a target for murder. And do it fast before the next attempt succeeds!
