Studi Sul
Medioevo Per
Girolamo
Arnaldi I Libri Di

The way in which a society expresses grief can reveal how it views both intense emotions and public order. In thirteenth-century Italian communes, a conscious effort to change appropriate

Download Free Studi Sul

public reaction to
death threw into
sharp relief
connections among
urban politics,
gender
expectations, and
understandings of
emotionality. In
Passion and Order,
Carol Lansing
explores a dramatic
change in thinking
and practice about

Download Free Studi Sul

emotional restraint.

This shift was driven by politics and understood in terms of gender.

Thirteenth-century court cases reveal that male elites were accustomed to mourning loudly and demonstratively at funerals. As many as a hundred men might gather in a

Download Free Studi Sul

town's streets and squares to weep and cry out, even tear at their beards and clothing. Yet these elites enacted laws against such emotional display and proceeded to pay the fines levied against themselves for violating their own legislation.

Political theorists

Download Free Studi Sul

used gender norms to urge men to restrain their passions; histrionic grieving, like lust, was now considered "womanish."

Lawmakers drew on a complex of gendered ideas about grief and public order to characterize governance in ways

Download Free Studi Sul

that linked the self and the state. They articulated their beliefs in terms of rules of decorum, how men and women need to behave in order to live together in society. Lansing demonstrates this change through a rich combination of sources: archival

Download Free Studi Sul

records from
Orvieto, Bologna,
and Perugia;
political treatises;
literary works,
notably Petrarch's
letters; and
representations of
grief in painting and
sculpture.

The richest and
most politically
complex regions in

Download Free Studi Sul

Italy in the earliest middle ages were the Byzantine sections of the peninsula, thanks to their links with the most coherent early medieval state, the Byzantine empire. This comparative study of the histories of Rome, Ravenna, and Venice examines

Download Free Studi Sul

their common Per

Byzantine past,
since all three
escaped

incorporation into
the Lombard
kingdom in the late
7th and early 8th
centuries. By 750,
however, Rome and
Ravenna's political
links with the
Byzantine Empire
had been

Download Free Studi Sul

irrevocably severed. Thus, did these cities remain socially and culturally heirs of Byzantium? How did their political structures, social organisation, material culture, and identities change? Did they become part of the Western political

Download Free Studi Sul

and ideological
framework of Italy?

This study
identifies and
analyses the ways
in which each of
these cities
preserved the
structures of the
Late Antique social
and cultural world;
or in which they
adapted each and
every element

Download Free Studi Sul

available to them to their own needs, at various times and in various ways, to create a new identity based partly on their Roman heritage and partly on their growing integration with the rest of medieval Italy. It tells a story which encompasses the

Download Free Studi Sul

main contemporary
narratives,
documentary
evidence, recent
archaeological
discoveries, and
discussions on art
history; it follows
the markers of
status and identity
through titles,
names, ethnic
groups, liturgy and
ritual, foundation

Download Free Studi Sul

myths, representations, symbols, and topographies of power to shed light on a relatively little known area of early medieval Italian history.

Utilizing a uniquely rich collection of trial records and council meeting

Download Free Studi Sul

minutes from late
medieval Bologna,
this book offers the
first study of
summary justice
and oligarchy in an
Italian commune,
demonstrating how
new legal
institutions arose in
response to the
increasingly
exclusionary
policies of the

Download Free Studi Sul

popolo government.

Girolamo

Medieval Italian
Arnaldi I Libri Di
communes are

Violla
known for their

violence, feuds, and
vendettas, yet

beneath this tumult
was a society

preoccupied with
peace. Peace and

Penance in Late
Medieval Italy is

the first book to

Download Free Studi Sul

examine how civic
peacemaking in the
age of Dante was
forged in the

crucible of
penitential religious
practice. Focusing
on Florence in the
thirteenth and
fourteenth
centuries, an era
known for violence
and civil discord,
Katherine Ludwig

Download Free Studi Sul

Jansen brilliantly illuminates how religious and political leaders used peace agreements for everything from bringing an end to neighborhood quarrels to restoring full citizenship to judicial exiles. She brings to light a

Download Free Studi Sul

treasure trove of unpublished evidence from notarial archives and supports it with sermons, hagiography, political treatises, and chronicle accounts. She paints a vivid picture of life in an Italian commune, a socially and

Download Free Studi Sul

politically unstable world that strove to achieve peace.

Jansen also

assembles a wealth of visual material from the period, illustrating for the first time how the kiss of peace—a ritual gesture borrowed from the Catholic Mass—was incorporated into

Download Free Studi Sul

the settlement of
secular disputes.
Breaking new
ground in the study
of peacemaking in
the Middle Ages,
Peace and Penance
in Late Medieval
Italy adds an
entirely new
dimension to our
understanding of
Italian culture in
this turbulent age

Download Free Studi Sul

by showing how
peace was
conceived,
memorialized, and
occasionally
achieved.

The volume
assesses
performative
structures within a
variety of medieval
forms of textuality,
from vernacular

Download Free Studi Sul

literature to records
of parliamentary
proceedings, from
prayer books to
musical

composition. Three
issues are central
to the volume: the
role of ritual speech
acts; the way in
which authorship
can be seen as
created within
medieval texts

Download Free Studi Sul

rather than as a
given category;
finally, phenomena
of voice, created
and situated
between citation
and repetition,
especially in forms
which appropriate
and transform
literary tradition.

The volume
encompasses
articles by

Download Free Studi Sul

historians and
musicologists as
well as literary
scholars, it spans
European literature
from the West
(French, German,
Italian) to the East
(Church Slavonic),
vernacular and
Latin; it contrasts
modes of liturgical
meditation in the
Western and

Download Free Studi Sul

Eastern Church
with secular plays
and song, and it
brings together
studies on the
character of `voice'
in major medieval
authors such as
Dante with
examples of Dante-
reception in the
early twentieth
century.

Download Free Studi Sul

Franks and Lombards in Italian Carolingian Texts examines how historians of Carolingian Italy portrayed the history of the Lombards, Charlemagne ' s conquest of the Lombard kingdom, and the presence of the Franks in the

Download Free Studi Sul

Italian Ppeninsula.

The different contexts and periods in which these writers composed their works allows readers to focus on various aspects of this period and to highlight the different ways the vanquished remembered

Download Free Studi Sul

Carolingian rule in Italy. The ' "memories ' " of these authors are organized by topic, ranging from the origin of the Lombards to the conflicts that broke out among the Carolingians after Louis II died in 875. Besides presenting the English

Download Free Studi Sul

translation and the original Latin text of the excerpts from the Italian Carolingian historical works, the volume also contains the English translations of the same events recorded in Frankish and papal narrative texts. In this way it is

Download Free Studi Sul

possible to compare
different memories
about the same
episode or topic.

The book will
appeal to scholars
and students of the
Lombards and
Carolingians, as
well as all those
interested in
medieval Europe.

In a series of

Page 63/65

Download Free Studi Sul

essays based on
surviving
documents of actual
court practices
from Perugia and
Bologna, as well as
laws, statutes, and
theoretical works
from the 12th and
13th centuries,
Massimo Vallerani
offers important
historical insights
into the

Download Free Studi Sul

establishment of a
trial-based public
justice system.
