Tax Planning With Trusts

Saving Inheritance Tax. Trusts offer a useful way to save Inheritance Tax without having to make an outright gift to another person. If you place assets into a trust to which you cannot benefit, after seven years the assets will fall outside your estate for Inheritance Tax purposes. Any growth on the assets will immediately be outside your estate.

Using trusts to avoid inheritance tax. Trusts are an often overlooked way to manage your estate when you pass away, keeping an element of control over what happens to your assets and how they can be used. The tax treatment of trusts can also mean they're useful for reducing the amount of inheritance tax that will be paid. However, the rules around inheritance tax and trusts are complicated, and it may cost you more.
