The Art of the Approach - To Life. By James B | Submitted On September 01, 2006. "The Approach" is one of the most popular subjects discussed in the online seduction scene. It's no wonder: How well you approach a girl, especially one you really like, will make or break the rest of the relationship. In fact, a relationship doesn't exist if you don't know how to talk to a girl fromni the very beginning.

The best book on photography as an approach to personal expression that I have seen. In our age of high tech equipment and mega pixels, the author says: " Alone or together, good composition and technical prowess don ’ t imply fine art. A great number of photographers can produce exquisite photographs that say nothing and inspire nobody. "
