When Nate Chance arrives home from school, he sees two police cars and an ambulance in his yard. Before his mother can get him and his little sister, Junie, inside, Nate and Junie witness their father, blood pouring down his face, being led by two police officers into an ambulance. He has tried to kill himself. Home quickly becomes a different place. Junie stays curled up in front of the TV; Nate's mom retreats inside herself; and the rumor of mental illness makes Nate a social pariah at school. Only the promise of winning the science fair holds any hope of happiness for Nate. He's building a cloud chamber, the project that he and his dad dreamed of working on together. Maybe if he can build it, Nate can give his father something that will help him feel better and finally come home.

'There is a plot, Harry Potter. A plot to make most terrible things happen at Hogwarts School of Witchcraft and Wizardry this year.' Harry Potter's summer has included the worst birthday ever, doomy warnings from a house-elf called Dobby, and rescue from the Dursleys by his friend Ron Weasley in a magical flying car! Back at Hogwarts School of Witchcraft and Wizardry for his second year, Harry hears strange whispers echo through empty corridors - and then the attacks start. Students are found as though turned to stone... Dobby's sinister predictions seem to be coming true.
