Faith-Rest is the life of peace designed for you as a believer in the Lord Jesus Christ. This life is characterized by a moment-by-moment tranquillity, happiness, and stability. But how can you have this perfect rest when you are surrounded by pressure, adversity, and disaster? God wants you to do only one thing—trust Him! Believe His Word! Mix the promises from the Bible with faith! If you trusted Him for the greatest thing He could ever provide—salvation, then, you can trust Him for the lesser thing—solutions to your problems. When you use the faith-rest technique, you stand on the solid ground of the Word of God. Bible doctrine becomes a living reality in every experience. No matter what happens to you, no matter how difficult your problems, you have “the peace of God which passes all understanding.”

Rebound & Keep Moving! is the key that unlocks the Christian way of life. After salvation the sin nature remains a relentless adversary, tempting the believer to sin and live in carnality. When the believer sins, fellowship with God is destroyed, the filling of the Holy Spirit is temporarily lost, and spiritual progress ceases. Rebound is the simplest yet most incredible concept in the spiritual life. Rebound defeats sin. Guilt, anguish, remorse over past failures vanish knowing that God forgives and forgets all past sins. Rebound is our access to intimacy with the Lord, the gateway to divine power in our lives, our license to serve the Lord. Rebound opens the door to the wonderful freedom the grace of God offers to every believer in Jesus Christ. For more information, visit [rbthieme.org](http://rbthieme.org)

Jackie Robinson, Branch Rickey, and the hidden hand of God that changed history Journalist and baseball lover Ed Henry reveals for the first time the backstory of faith that guided Jackie Robinson into not only the baseball record books but the annals of civil rights advancement as well. Through recently discovered sermons, interviews with Robinson’s family and friends, and even an unpublished book by the player himself, Henry details a side of Jackie’s humanity that few have taken the time to see. Branch Rickey, the famed owner who risked it all by signing Jackie to his first contract, is also shown as a complex individual who wanted nothing more than to make his God-fearing mother proud of him. Few know the level at which Rickey struggled with his decision, only moving forward after a private meeting with a minister he’d just met. It turns out Rickey was not as certain about signing Robinson as historians have always assumed. WWith many baseball stories to enthrall even the most ardent enthusiast, 42 Faith also digs deep into why Jackie was the man he was and what both drove him and challenged him after his retirement. From his early years before baseball, to his time with Rickey and the Dodgers, to his failing health in his final years, we see a man of faith that few have recognized. This book will add a whole new dimension to Robinson’s already awe-inspiring legacy. Yes, Jackie and Branch are both still heroes long after their deaths. Now, we learn more fully than ever before, there was an assist from God too.

The Rest of Faith (1 of 4) “The Lord is my shepherd, I shall not want. He makes me lie down.” Psalms is full of David’s battle to find that resting place. In fact he had many difficulties, pressures setbacks, obstacles - all kinds of challenges, but he said “I’m never lacking, because God is my provider and my source”. He came to rest inside, in God. The kingdom of God is about rest, not works. “He that has entered into rest has ceased from his own works.” The Rest of Faith (2 of 4) Jesus said: If you’re stressed out, come to Me. The answer is a person, your connection with a person, connecting with Him and learning. Technology doesn’t solve problems, because the problems we really face, the core of them, are found in the heart; and in our walk with God. The reason He can teach you how to do life, is because He has an attitude of meekness, humility; and He gave an example of how to do life. The Rest of Faith (3 of 4) Stress and pressure are part of our life, and Jesus has given some clear things about how we can deal with it. When you’re stressed out, anxious and uptight you don’t live your best; you struggle in your relationships; there’s overflow in your health. God doesn’t intend us to live that way. Let’s have a look what Jesus said... The Rest of Faith (4 of 4) “My presence will go with you, and I will give you Rest” Rest is a peace in our heart, in spite of the turmoil around us. We’re live in an age which is in turmoil; people are anxious & fearful - stressed out. Rest is a gift to us. It’s an experience you can come into, when no matter what’s going on around you, you can still be at peace in your heart. This is something God gives to us. It comes out of His presence being with us; and out of learning how to let go issues to Him. We’re called to bring peace into wherever we go.

Many Christians evaluate their lives and ask the same questions: Am I doing enough? Have I shown enough discipline, enough dedication, or enough effort? Would praying and reading my Bible more help me overcome... remove... have...? You may feel that you put so much effort into improving your Christian life with no apparent fruit. Sins you thought would have been easier to overcome are still plaguing your daily life. You are not alone, and you are not crazy! Many Christians today live on this sort of performance-based treadmill, running fast and getting nowhere. Trying harder and doing more haven’t produced assurance or victory over sin. You’re exhausted. You feel empty and fake inside. You feel guilty for merely wanting to just coast, to give in, to stop trying. The foundation of Christianity is faith. And the foundation of the Christian faith, we will argue in this primer, is rest. In this book, Jon Moffitt, Jimmy Buehler, and Justin Perdue explain how weary pilgrims can find rest in Jesus Christ. Evangelical Christian Publishers Association Top Shelf Book Cover Award We live in a culture that values activity, achievement and accomplishment. Whether in our careers, churches, schools or families, busyness is the norm in our lives, and anything less makes us feel unproductive and anxious. We have to work all the harder, then, to pursue true rest in a 24-7 world that is constantly in motion. John Koessler understands that rest is not automatic or easy to attain. He names the modern-day barriers to becoming people of rest and presents a unique perspective on how pursuing rest leads us to the heart of God. With honest, biblical reflections on trends in our culture and churches, he exposes our misconceptions regarding the concept of rest, as well as offering correction and practices to align our ideas with God's ideal. The book includes reflection and discussion questions designed for both individual and group use. You will discover the true meaning behind Jesus' idea of the yoke of rest and restoration for your mind, body and soul.
