The One Minute Manager - Book Review | Different Is Something
The One Minute Manager is a guide for managers looking to empower their employees and teach them to succeed in their jobs, with minimal direct guidance. As the title suggests, most of what we consider “management” takes one minute or less. One-minute managers build their employees up by defining success through short one-minute goals and performance standards; providing immediate and direct positive feedback through one-minute praisesings; and offering constructive criticism aimed at ...
