Rejecting the cliché about "weak identity and underdeveloped nationalism," Bekus argues for the co-existence of two parallel concepts of Belarusianness—the official and the alternative one—which mirrors the current state of the Belarusian people more accurately and allows for a different interpretation of the interconnection between the democratization and nationalization of Belarusian society. The book describes how the ethno-symbolic nation of the Belarusian nationalists, based on the cultural capital of the Golden Age of the Belarusian past (17th century) competes

Download Ebook The Remaining Signs Of Past Centuries

with the "nation" institutionalized and reified by the numerous civic rituals and social practices under the auspices of the actual Belarusian state. Comparing the two concepts not only provides understanding of the logic that dominates Belarusian society's self-description models, but also enables us to evaluate the chances of alternative Belarusianness to win this unequal struggle over identity.

Download Ebook The Remaining Signs Of Past Centuries

The past remains essential - and inescapable. A quarter-century after the publication of his classic account of man's attitudes to his past, David Lowenthal revisits how we celebrate, expunge, contest and domesticate the past to serve present needs. He shows how nostalgia and heritage now pervade every facet of public and popular culture. History embraces nature and the cosmos as well as humanity. The past is seen and touched and tasted and smelt as well as heard and read about. Empathy, re-enactment, memory and commemoration overwhelm traditional history. A unified past once certified by experts and reliant on written texts has become a fragmented, contested history forged by us all. New insights into history and memory, bias and objectivity, artefacts and monuments, identity and authenticity, and

Download Ebook The Remaining Signs Of Past Centuries

remorse and contrition, make this book once again the essential guide to the past that we inherit, reshape and bequeath to the future.

Fascinating reading on the plight of gay men and women through the ages. The contributors to this compassionate book document how society has made life difficult and even dangerous for homosexual people. Through narrative history as well as biography, these essays trace the legal, social, and physical consequences of this oppression.
